

REQUEST FOR PROPOSALS

ELEMENTARY SCHOOL PLAYGROUND PROJECT

RANDOLPH COUNTY SCHOOL SYSTEM

RANDOLPH COUNTY, GEORGIA

1. PURPOSE

The Randolph County School System is soliciting proposals from qualified and experienced playground manufacturers, designers, vendors, contractors, or authorized representatives to provide the **design, furnishing, delivery, site preparation, installation, safety surfacing, inspection, and completion** of a new elementary school playground.

The purpose of this Request for Proposals (RFP) is to obtain a **safe, durable, age-appropriate, accessible, inclusive, and engaging playground** that supports the physical, social, emotional, and developmental needs of elementary school students.

The successful proposer shall provide all **labor, materials, equipment, supervision, transportation, permits, services, and incidental items** necessary to complete the project in accordance with the requirements of this RFP.

All work shall be completed in compliance with **applicable local, state, and federal laws, regulations, codes, standards, and requirements**, including applicable playground safety and accessibility requirements.

2. MAXIMUM PROJECT AMOUNT

Maximum Project Amount: \$165,000.00

The total proposed cost shall **not exceed One Hundred Sixty-Five Thousand Dollars (\$165,000.00)**.

The proposed price shall include all costs associated with providing a complete and operational playground, including, but not limited to:

- Playground design and layout
- Playground equipment
- Freight and delivery
- Site preparation
- Grading and drainage
- Installation and assembly

- Protective playground surfacing
- Accessible routes and accessible play features
- Borders, curbing, or containment systems
- Labor and supervision
- Permits, inspections, and applicable fees
- Project management
- Final safety inspection
- Warranty documentation
- Cleanup and removal of construction debris
- All other materials, labor, equipment, and services necessary for a complete and operational playground

No additional costs shall be charged to the Randolph County School System unless authorized in writing through an approved change order.

3. PROJECT LOCATION

The project will be located at an elementary school within the Randolph County School System in Randolph County, Georgia.

The successful proposer shall verify all site conditions before beginning work. The Randolph County School System may provide available site information; however, each proposer is responsible for independently evaluating the project site and identifying existing conditions that may affect the proposed work.

The proposer shall be responsible for incorporating all reasonably observable site conditions into its proposal and pricing.
