What We're Learning

Over the next several weeks we will be doing lots of ACAP/Skills Practice. Please make sure if you are not sick, you are at school.

Shavers

Reading:

- ACAP Testing(No Reading Tests!)
- Harry Potter Novel Study

ELA:

- Order of Adjectives
- No Spelling

**Spelling lists are on the study guide and the Unit 5 spelling list in their binders and on my webpage. Vocab is on the study guide in their binder AND on their index cards.

This Week's Shoutout:

Bailey! Way to go adjusting to a new school and new friends! You are awesome!

Lucas

Math:

This week we will continue Topic 13-Measurement. This topic will discuss how to find equivalent units of measure. We will also continue reviewing for ACAP. Please make sure your child is here if they are not sick.

Science:

This week we finish Chapter 6 in Science. This chapter discusses the Earth's resources. We will discuss minerals and rocks and how they are classified. What happens with weathering and erosion? We will also discuss the water cycle. We will also continue ACAP review.

This Week's Shoutout:

Landon!! Thank you for working so hard and for always being a wonderful leader in our classroom!
