Heyward Segars, Jr.-Assistant Principal- hsegars@wcsd.k12.sc.us
1503 Woodland Drive, Kingstree SC 29556
TELE: (843)-355-7233

Mission:

KGLA will work in partnership with students and families to provide a world class education to every scholar, centered on an expectation of excellence, a core of love, and principles of leadership.

Vision:

"There is power in WE!"

Beliefs: We believe that . . .

- Every child deserves a quality education.
- Provided the opportunity, all children can learn.
- A positive relationship between parent and teacher can enhance a child's success.
- Education should address the whole child: socially, emotionally, culturally, and academically.
- All students should be able to compete in a global society.
- All students should become effective users of technology.

KGLA is Racing to Success!!
