Veolia visits with our students

Our students at LLE and CRS were fortunate to have Veolia come in for visits with our students. At CRS, they learned about the reservoir, how they clean our drinking water and water conservation. At LLE, they went over weather, the water cycle and how the human body needs water.

Spotlight on Second Grade

This month, our second graders showcased their creativity with a fun and festive family project! Together with their families, they transformed plain turkey templates into one-of-a-kind works of art using materials like pom poms, leaves, glitter, feathers, and more. Each turkey was a vibrant reflection of the students' imaginations and their families' teamwork. It was wonderful to see the joy and pride on their faces as they shared their unique creations in class. Thank you to all the families who made this project such a colorful success!

Voting by the Students

As the students learned about the election process and voting, they were given the opportunity to also cast their own vote. The winner at LLE was a No Homework Night and at CRS was a Pajama day.

November 22, 2024

Dear CRS and LLE Families,

Please note the items below:

- **After School Bathroom Usage:** Please know that after dismissal students and/or parents are not permitted back into the building to use the bathroom. If you know that your child needs to use the bathroom after school then please take them home so that they can do so.
- **Preschool Open House and Registration:** Click [here](#) for information regarding our Preschool Open House on Monday, December 9th at 3:20, as well as registration information. Also, for parents of current preschool students please click [here](#) for information.
- **Kindergarten Registration:** This will take place from January 13th-January 15th. Please click [here](#) for more information.
- **November Happenings:** We have a lot of fun events and important dates during this month so please mark your calendars
 - 11/27-Early Dismissal
 - 12:00-Preschool
 - 12:30-K-4th
 - 11/28-11/29-No School-Thanksgiving
- **Polar Express-WE HAD TO RESCHEDULE-**Please click [here](#) for more details

Have a great weekend!

Sincerely,

Mr. Frank J. Maggini

Principal
