

## ACADEMIC OFFERING OVERVIEW

At Miraj Islamic School, we aim to foster academic excellence and personal growth in our students. We value and prioritize academics, aiming to nurture each student's individual talents while instilling qualities of compassion, responsibility, and leadership. Our educational system serves as a platform for students to reach their fullest potential and become impactful members of both the Muslim community and society at large.

Miraj Islamic School provides exceptional elementary, junior high, and high school programs emphasizing English, Mathematics, Science, Social Studies, and Islamic Studies, in addition to a wide array of electives. Additionally, we provide a college preparatory program for high school students. *Our curriculum is aligned with New York State Common Core Learning Standards and New York State Regents requirements.* Students who successfully complete their respective programs are well-prepared to take their New York State Exams as well as New York State Regents Exams. Notably, all of our high school graduates earn a Regents or Advanced Regents Diploma.
