[Charlie Kirk's Journey to Jesus - How He Grew in His Christian Faith.](#)

Professionally, Charlie Kirk will be known for creating and growing the Turning Point USA movement. However, personally, he made the decision early on that his faith in Jesus Christ would be at the center of all. That decision for

Christ came in 5th grade at Christian Heritage Academy.

"I heard a hot gospel," Kirk said in a podcast in 2024. "And so I realized the stakes in 5th grade. I'm a sinner, I'm selfish, I'm broken and only thanks to Jesus's perfect sacrifice, coming and living a perfect life that I get something I do not earn but has been given to me, this free gift of eternal life."

[Charlie Kirk Murder Sparks Wave of People Returning to Church, Sharing on Social Media](#)

While speaking to Deseret News earlier this year, Kirk said the secular world needed to be pointed "toward getting back to the church, getting back to faith, getting married, having children," adding, "That is the type of conservatism that I represent, and I'm trying to paint a picture of virtue, of lifting people up, not just staying angry."

['Changed for Eternity': 1,000+ Choose Christ at Massive FaithFest 2025 Gathering](#)

Tens of thousands of people gathered recently under a 110-foot cross to seek Jesus Christ at FaithFest in Wilkesboro, NC. Official numbers have not been released, but reports indicate more than 1,000 attendees made decisions to give their lives to Christ, and approximately 100 were baptized on the spot. FaithFest reported on Saturday night, "Closing in on 100 baptisms and more to go! Praise Jesus!"

[Charlie Kirk urged youth to reject 'sexual anarchy' and hookup culture, pastor recalls](#)

Erika Kirk vowed to continue his mission of urging young people to embrace family, faith and purity. Amid the outpouring of support following Charlie Kirk's assassination this week, his widow Erika Kirk said she has been moved by stories of people inspired by him to pursue marriage and family — a tenet of his legacy, which rejected "sexual anarchy" and hookup culture on college campuses.
