

# **KORAES VOLUNTEER REQUIREMENT INFORMATION**

DATE: **09/26/23**

TO: **All Clergy, Youth Workers and Volunteers (working with students in church or school)**

RE: **Mandatory Registration in the New Youth Safety Platform**

\*\*\*\*\*

Dear Koraes Elementary School Community,

This email is being sent as a reminder that if you plan to volunteer for an event in the upcoming months and for the remainder of the school, you must have completed the four requirements listed below:

1. ***Attended a volunteer presentation*** given by Principal Lind (in person)
2. Filled out and submitted to the Koraes office the ***Koraes Elementary School Volunteer Code of Conduct*** form
3. Submitted a ***copy of your Driver's License*** to the Koraes office
4. **Register in the new Youth Safety Platform**

**This is the link Youth Workers will need to access to register:**

[youthsafetyplatform.goarch.org](https://youthsafetyplatform.goarch.org)

**Number 4** in the above requirement list is the last requirement that has been added for volunteering at Koraes. **If you have met this requirement through another parish, you will need to submit proof of certificate to the Koraes School office.** **The first event this will be required for is Hot Lunch on Oct 5, 2023.**

Please understand that ***you must have all four requirements*** completed **at least five days prior to the event you are volunteering for** to be eligible to volunteer at Koraes Elementary. We sincerely thank all of you for your support and generous hearts!

If you did not attend the fall meeting for volunteers, the next one will be held on January 16 @ 6:30pm.

Respectfully,  
Beth Lind
