## OCTOBER

### A Note From The Teacher

Gifted Testing will be conducted in February 2026. Students in grades K-5 can be nominated for consideration for testing by the parent or guardian. The deadline for nomination is **November 20, 2025**. Nomination does not guarantee the student will be tested, however. All available data will be studied for each student in the preliminary selection pool by the school's Gifted Eligibility Team. The team will make the decision to move forward with formal testing or stop the process. **Nominations for testing must be in writing.** Please contact Issy Burnham, Gifted Coordinator, if you have any questions at 912-389-6704. The nomination form is available in the Front Office.

### Reminders

If you and your kids read just one book a day together, they will have enjoyed **1,825** books by their 5th birthdays.
