This week's vocabulary words:
assist, bloom, grasped, spied,
sprout

Spelling Words

like
spike
ride
hide
bike
mine

Sight Words

green
grow
pretty
should
together
water

*comprehension skill: use the text to find details about the sequence of events

*comprehension strategy: good readers make predictions about what will happen next in a story...then they use words and pictures to find out if their prediction was correct

The Big Yuca Plant

A girl is planting.

Hello, Sis. What plant is that?

It is a yuca. It should grow a root that we can eat.

Yum! Can we help you?

Yes. Ana can help me dig. You can get the plant water.

The sun will shine and the plant will grow.

Grow, plant, grow!

Many days pass.

Look at the size of that plant.

Yes, it is green and pretty. But it is as big as we are!

My yuca did grow! It is time to pull it up.

She tugs and tugs.

I can't get it. It is too big!

I will help. I will grab you. You grab the plant.

This plant is stuck!

I can tug. Come up, yuca!

This is quite a plant! Let us help.

Mom and dad tug. But the plant does not come up.

There are five of us pulling. But the yuca is still stuck.

Who can we ask for help?

Ask Pig. Pig is big. She can tug.

Pig, can you help?

Yes, I will help. I will tug Mom.

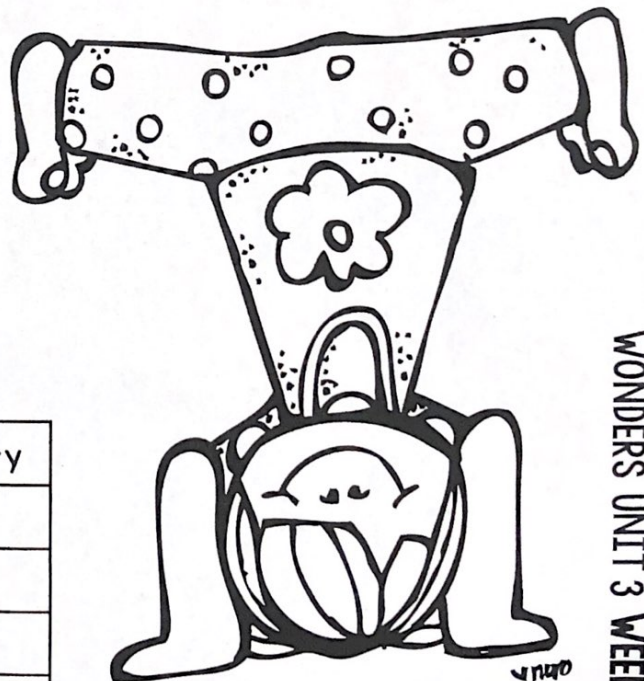

And I will tug Dad.

FAST & FLUENT
