2 Clorox or Lysol wipes  
\$5 for agenda  
Bring the dictionary that the students were given by Rotary last year.

(Your child probably has some of these from last year, such as a ruler and scissors. Just bring those instead of buying new ones. )

Have your student write their name on their supplies. Please write your students name inside of jackets, pullovers, and any clothing item they may take off during the day. When students wear uniforms at school, they all look alike. It helps to reunite a student with their belongings when their name is on the item.
