"Enumerators shall not include in the census the names of any child or children in reformatories or prisons, nor the names of any child or children in asylums, almshouses, or other charitable institutions, except as provided in section 4687 of this act."

Children in such institutions who contribute toward the support thereof by their labor shall be included in the census of the district in which such institution is located, except children in class (a) where the parents, or either of them, reside in such city or district and in such cases the legal residence of the child is that of the parent.
