

TISA Overview	
	Coffee County Schools (160) Public District - FY 2027 - LEA Plan - Rev 1
	Overview
	The Tennessee Investment in Student Achievement (TISA) public school funding formula marks a significant change in how Tennessee invests in public education. The TISA funding formula updates the way Tennessee funds public education for the first time in over 30 years to empower each student to read proficiently by third grade, prepare each high school graduate for postsecondary success, and provide resources needed for all students to ensure they succeed. As part of TISA, T.C.A. § 49-3-112 requires each school district, starting in the 2023-24 school year, to submit an annual accountability report to the Tennessee Department of Education (department). This report must include: • Goals for student achievement which are now addressed through the LEA plan. One of the goals must include the district's plan to pursue the goal of seventy percent (70%) or more of the district's third grade students to score "met expectations" or "exceeded expectations" on the English Language Arts (ELA) portion of the TCAP tests. This goal must also detail the district's goal to increase 3rd grade ELA proficiency rates by 15% of the gap over three years (starting with the 2022-23 TCAP results) to achieve the district's stated goal of at least 70% of 3rd grade students proficient in ELA. • Explanation of how the district's stated goals can be met within the district's budget which are now addressed through the LEA plan. • For reports submitted starting in the 2024-25 school year, a description of how the district's budget and expenditures from the prior school year enabled the district to make progress toward the stated student achievement goals. Prior year reflection and expenditures are to be completed at the beginning of each school year as a separate section, now located within the LEA planning process. Each district's TISA accountability report, including goals, strategies, and reflections, are required to be presented to the public for review and comment before the report is submitted to the department. Additionally, the TISA Accountability must be presented for local school board approval. The report must be submitted annually to the department by November 1st. Furthermore, each district's TISA accountability report is required to be reviewed annually by the TISA Progress Review Board pursuant to T.C.A. § 49-3-114 to determine whether the school district is taking the proper steps to achieve their stated goal. For questions, please review the TISA Accountability Report Guidance document or contact tneedu.funding@tn.gov. Completed reports should be submitted in ePlan by November 1, 2026.

* Check the response that best describes the progress made on the 2025-26 target toward Goal 4.

- ☐ Exceeded target
- ☐ Met target
- ☐ Increased but did not meet target
- ☐ Did not make progress toward goal
- ☒ End of year outcome data for the 2025-26SY is unavailable at the time of this report

Reflection: Based on progress toward the goal, how will this impact your action plan for the coming years?

Our progress indicates that the current strategies are moving us in the right direction in most of the CCR indicators, so we will maintain our course rather than make significant changes to the action plan. However, we recognize that we need to be more strategic with improving the ACT composite. Moving forward, we will strengthen the implementation and monitoring of existing strategies.

Goal 4 Prior Year Report: 2-3 Prior year, major TISA investments made toward this goal		
Major TISA Investment	Expended Amount (Rough Estimate)	Reflection of whether the investment contributed to progressing toward the goal or not, and how so.
PreACT 10 MasteryPrep ACT Focus - Admin/teacher positions needed to sustain Major Clarity EPSC course offerings - teacher and lab coordinator positions (AP, DE, SDC) ACT Retake for Seniors TISA supplement Industrial Certification testing Tier III certifications and ASVAB 31+ Focus Middle College partnership with Motlow State and continued partnerships with TCATs.	\$ 387,952.00	These investments have contributed to the progress toward CCR. Mastery Prep implementation is one that we need to reevaluate. TDOE is phasing out SDC and will no longer be an option.
