

Listening for Sounds Within Words

Included in this pack are four sheets of pictures. Please help your child cut the pictures apart. They are numbered on the back along with the name of the picture. The cards are numbered on the back so you can gather different sets at a time for playing sound games.

Along with distinguishing rhyme, these cards can be used to play the games described in the **Phonemic Awareness Read At Home Plan** such as "I Spy With Sounds", "Guess my Word", "Robot Talk", "One of these Words is Not Like the Others", "Which one Doesn't Belong", and "First, Middle and Last Sound Shuffle".

To help you play the games, the enclosed rhyming pair cards can be sorted by the categories below:
