First Grade Play

On Friday, March 22nd, the First grade students performed the play, *The Day the Crayons Quit*. The students truly did an amazing job singing and presenting their speaking parts. We cannot thank Ms. Ahn enough for her hard work and time spent with the students. In addition, we would also like to thank Mrs. Stokes and her art club for the beautiful backdrops that were used for the play.

Harlem Wizards

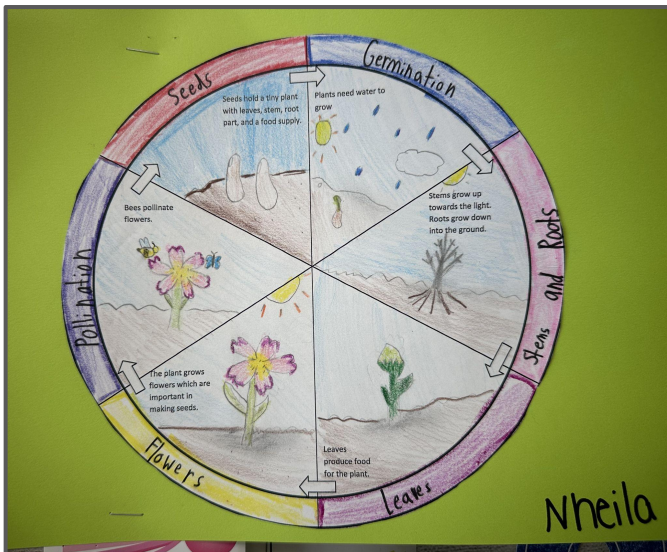

On March 13th, John "Big J" Smith, from the Harlem Wizards visited our students at CRS & LLE. He was able to show them tricks and even had some children and teachers participate with him. He discussed the upcoming game at Northern Valley Demarest on April 28th. The children had a great time.

Spotlight on Third Grade

The Third graders at LLE are currently learning about comparing and contrasting in reading. We are using nonfiction texts to compare and contrast different things using Venn diagrams and turning them into paragraphs! We have also started a new unit in science, plant life cycles. Students put together a life cycle wheel that demonstrates a plant's life cycle. We are continuing to learn about fractions and have started a "Fraction Gumball Project" where students have to write down the fractions of each color in their gumball machines!
