Weekly Update 9-19-22

Steven Campbell • 7 days ago • Monday, Sep 19 at 2:57 PM • Santa Maria High School

Good afternoon parents and students, later this afternoon teachers will be submitting their grades for the first of six weeks of the school year. These grades will be sent home to parents via Parent Square no later than Wednesday.

These grades are only to provide parents and students notification of how the students' grades are doing so far and will not be recorded on any permanent records or transcripts. To further keep parents updated, there will be one more grade check in late October. It is only after these two grade checks that the end of the semester (right before Winter Break) grades go out. These end of the semester grades are official and do go on students' permanent transcripts. A similar process occurs during the spring semester when there are two grade checks before the official grades are recorded right before summer break.

Although next week's grades are not official, they should serve as an indicator how the student is doing so far. If the grades are not as good as you would like, please arrange to contact your teacher and/or counselor. We have support systems in place such as before school tutoring, Tutor.com, etc. Parents, please look over this week's grade report thoroughly, and if your student needs help, talk with their teacher while there is still plenty of time for improvement. Take charge of this semester's grades by getting the help you need and then putting in the work to be successful!

Sincerely,

(Steve Campbell, Principal SMHS)

Reminders:

***Grade reports** should be arriving via Parent Square no later than Wednesday of this week.

***Picture retake date has been changed** from September 20th to **October 11th**. (This was due to Life Touch not being able to hold their originally scheduled date, though not our fault, we apologize for any inconvenience this change may cause)

***Tutoring:** Students and parents please check out our tutoring options in the below flyer. We are working hard to build tutoring options to support our teachers and their students. Also please remind students they have **tutor.com** available to them on our website under **student resources**.

Kudos:

We'd like to thank and appreciate our ASB students and their fearless leader Mr. Salazar for Friday's Fall Fair. First off, and very early Friday morning (6:00am) seniors held their first ever Senior Sunrise party at the stadium. There was music, drinks, snacks, a lot of sleepy eyes, and a lot of laughs as everyone waited for the 6:44am sunrise. The Fall Fair didn't stop there. During lunch today, school clubs sold snacks

and promoted their clubs. And lastly, also Friday during lunch, local singer/entertainer Josue Hernandez played for our staff and students. See below a couple of pictures of the day's fun. What a great way to promote school involvement and help celebrate Mexican Independence Day!
