Highlights from Letters to Power 88

Dear Power88,

The first time I listened to Power 88 it was something new and I was searching for something.

When I first started listening to Power 88 I was not a Christian and I listened to secular music. The Lord has used Power 88 in many ways in my life I don't know what I would do without you guys! There has been many times in the past few years you guys have helped me get through the day. I'm praying for you all.
