

The Sleuth Scoop

WHAT'S UP IN...

Mrs. Tindol's Class: Mrs. Tindol's students designed, built and flew their own small scale remotely operated vehicle (ROV). While working on this project, they used the engineering design process, explored buoyancy, worked as a team, and discussed ways ROVs are used in underwater research, exploration, and industry. Of course, their favorite part was using their ROVs to collect items from the bottom of a pool.

4th Grade: Mrs. Thornton's students are learning about Robotics using robots provided by Hyundai Manufacturing!

Chesser's Class: Students is having a study about community helpers and fire safety. The Prattville Fire Department donated hats to our students.

IMPORTANT INFORMATION...

October 18 will be an eLearning day for grades 9 & 11 at all Autauga County Schools.

All 10th & 12th graders will report to campus to participate in the PreACT & ACT Workkeys.

All remaining grades will operate as normal across the district and at Billingsley School.

IMPORTANT DATES:

FRIDAY, OCT. 6 – EARLY DISMISSAL FOR STUDENTS

MONDAY, OCT. 9 – FALL BREAK

MONDAY, OCT. 16 – REPORT CARDS

Bragging on Our Bears...

A team of students organized and promoted See You at the Pole 2023. They did a great job with the program! There were a large number of students and faculty in attendance...early to school on Wednesday, September 27 to pray over our students, staff, and community.

Members of our FFA will attend the National Convention, October 30-November 4. They will represent Billingsley School and the state of Alabama in competitions.

There will be a Student Art Exhibition at the October meeting on Monday, October 16. Please make plans to attend the meeting and view some art pieces completed by our students.

Did you know...

A group of bears is called a sleuth?

That is the reason the school newsletter is named "The Sleuth Scoop"!
