# 8th Grade Tour of the Grist Mill at Washington's Run Park

A Special thank you to the Perryopolis Historical Society for arranging a wonderful day walking around the park.

Former Frazier High School History teacher Joanne Cushman welcomes the students to the Grist Mill. Mrs Cushman told them the historical timeline of the area and George Washington's influence. Students were engaged and excited to hear the stories before exploring the grist mill, distillery, and the surrounding property. Mrs. Cushman kept their attention with her dramatic and humorous expressions and stories.

Back at the school, students enjoyed a picnic lunch and ice cream. A well deserved treat after a morning of exploring the local sites.
