

Week of: May 6th – 10th

Themes: Alphabet & Numbers

For the remainder of the year, the themes will be focused on the alphabet and numbers. We will play alphabet and number games. We will complete alphabet and number activities. We will read alphabet and number themed books. Music and movement will consist of singing and dancing to alphabet and counting songs. We will attend music class on Wednesday. We will plant seeds to grow flowers. We will discuss the parts of a flower and living and nonliving items. We will work on shapes and colors. We will work on the following literacy skills: letter identification, individual letter sounds, and the sounds that make up words. We will work on the following math skills: number identification, counting, quantifying, adding, and subtracting. We will strengthen our fine motor skills by writing our names, letters, and numbers and working in our journals. This week will be filled with fun while learning about the alphabet and numbers!

We are looking forward to a great week in Pre-K!
