STAFF RECOGNITION:

Abigail Genders: 3rd Grade Teacher

Even though she is a first-year teacher, Miss Genders is wise beyond her years of experience. Her students absolutely love her because she makes learning fun. She has high expectations for all her students, regardless of their ability level. From staying after school to tutor students in reading, to clothing some of her students in need, Miss. Genders has a sweet and compassionate soul. Without a doubt, she has a bright and successful future ahead of her, where she will make a difference in the lives of hundreds of children, just as she is doing at our school. She is a highly valuable member of the 3rd grade team and the Williamsburg Elementary School.

Shawna Norris: Secretary

She is in early and stays late. She will literally do anything you need her to do. Her investment in this school does not go unnoticed or unappreciated. Whether it be making sandwiches and packing lunches during the pandemic, to making sure that the 2021 senior class was afforded a wonderful prom, to volunteering to get two children dressed and fixing their hair before going to class last week after they became homeless or making a spur of the moment Wal-Mart run for baby formula, no questions asked. She continues to serve the district, the students, the families, and the staff daily with a heartfelt smile on her face.

IV. PUBLIC MATTERS:

A. HEARING OF DELEGATIONS

Each person wishing to address the Board of Education may do so at this point. The person who speaks should stand, give his/her name, address, and the group he/she represents, and then addresses his/her comments directly to the Board of Education Chairperson. There is a time limit of two minutes for the presentation and a time limit of three minutes for discussion. The Board may not take formal action on items presented until there has been an opportunity to study them.

Individuals wishing to have items on the agenda for formal Board action should have a written request to the Superintendent's office five days prior to the Board of Education meeting, and the statement should include an outline of the proposals or recommendations offering a possible solution, and review of prior discussion and decisions given by teachers and/or administrative personnel.
