

Effective Reading A Transformative Education Approach

*Reading is more than a source of information and entertainment.
It is an empowering act.*

	When I read, I ask:
Description	<i>What is the author telling me? What? When? Where? Who? Why?</i>
Personal Interpretation	<i>How do I feel about this? Have I had experiences similar or different to these ones?</i>
Critical/ Multicultural/ Anti-Bias Analysis	<i>Is what happened right (fair, kind, moral, appropriate)? Who benefits (suffers) in a situation like this? Has anyone been excluded from this text? Who is left out? Why? Does this text allow for human diversity?</i>
Creative/ Transformation	<i>What will I take away from this experience? What might I do in a situation like the one in the text? How can I improve my life/conditions/relations?</i>
