

"IF YOU ARE HAVING A PROBLEM OR THINK YOU WILL HAVE A PROBLEM, PLEASE COME TO THE OFFICE."

MESSAGE BY ADMINISTRATION

Dear Silver Streak Families,

As we enter the start of the holiday season, we want to extend our sincere gratitude and appreciation to our parents, sponsors, and business partners for all your support toward the Janie Howard Wilson students, staff, and programs. Our success is due to the assistance that is shown all year. This month we have many exciting events on and off campus. Our second graders will be hosting a Veteran Day performance and kicking off the International Baccalaureate Primary Years Programme showcase for the 2024-2025 school year. Our staff and students want to recognize our Veterans for the sacrifice made by so many for the freedoms we have. We also want to showcase the learning done by the students as they researched our National Monuments. The second-grade students have been working so hard and we would love to show you what they have learned. In addition, our fifth graders will participate in the Lake Wales Annual Turkey Bowl on November 19th. Our school is also participating in the Great American Teach In on November 20th. We will be hosting our Thanksgiving Day Dinner on November 21st during your child's lunch time. Please make sure to reserve your lunch by November 15th. Finally, we are going to end our fall season with a Fall Festival on Friday, November 22nd.

As we enter into quarter two, the JHW staff and students will begin a deep dive into the Approaches to Learning (ATL) with the International Baccalaureate Primary Years Programme. The ATL consists of five categories of interrelated skills and associated sub skills that support students of all ages to become self-regulated learners. The five categories are communication, research, thinking, social skills, and self-management. The teachers will plan for implicit and explicit opportunities using a variety of strategies to develop the ATL both inside and outside the Programme of Inquiry to influence your child's education not on just what your child learns but how your child learns it.

Finally, we are so proud of the number of awards given each week! Our goal is to shine with the Lake Wales Charter School Read 30 literacy initiative and we want to thank you for all your support. Please continue to read each night for thirty minutes and have your child attend school each day. We can't wait to host our next AR celebration. Please continue to encourage your child to read over Thanksgiving break and record what they have read so your child can take their AR tests when he/she returns to campus!

EARLY RELEASE

November 22, 2024
12:40pm

No School
Monday, Nov. 11th
Veteran's Day

NOVEMBER CALENDAR

- Nov. 1-29- Krispy Kreme Fundraiser

Classroom News

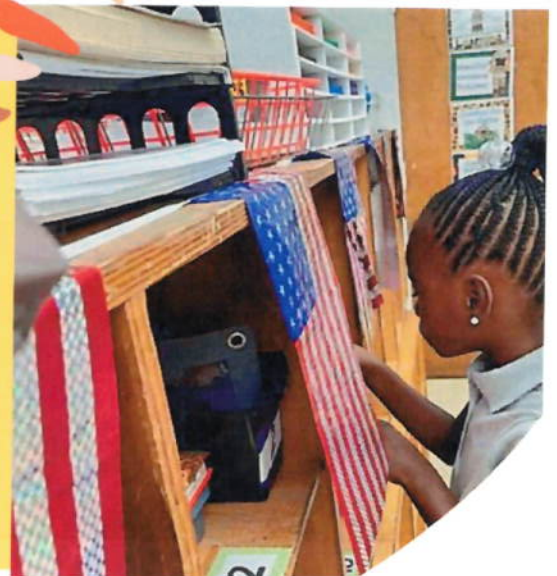

Kindergarten

Please make sure your child is at school every day. We are starting 2D and 3D Shapes in math. We will be testing them on sight words before we leave for Thanksgiving Break, please practice at home as this is important for their learning.

First Grade

In First Grade for the month of November in ELA, the students are learning to form and write complex sentences along with using proper nouns and appropriate capitalization. We are stressing the importance of learning sight words and to continue reading for 20 minutes every day. In Math the students are sharpening their computation skills, by learning to make a 10, using doubles facts, and using a number line to solve and dissect word problems. In Science, they are observing living and nonliving things and will begin learning the plant life cycle. In Social Studies, the students are being exposed to community workers, historical events and how that relates to the present times. Please encourage your child to read the directions on their homework and retell the stories that are sent home. It is so important that our students begin reading for understanding and not just for knowing the words.

Classroom News

Second Grade

Math: Addition with sums to 100

ELA: Poetry

Social Studies: IB United States

Monuments/Veterans Day Projects

Science: States of Matter

Social Studies: we would love to see parents at the student exhibition the morning of November 14th.

Third Grade

In the month of November third grade will be finishing up our transdisciplinary unit of "where we are in place and time". Throughout this unit we have been focusing on cultures and changes across all subjects. In ELA, students will be working with themes, summarizing stories and character developments. In Math, the students are continuing to work hard on their Multiplication skills and learning strategies along with the 5 different properties and relating all of those skills to division. In Science, the students will be working on different states of matter and the changes they can make. In Social Studies, the students will finish working on their culture project where they are researching one of the cultures they have been working with throughout this transdisciplinary unit. Please continue to encourage your child to read nightly and encourage them to write about what they have read to deepen their understanding of the text and sharpen their writing skills.

Some important dates this month are:
November 11th- NO SCHOOL VETERANS DAY
November 13th- Field trip to Cracker Storytelling
November 19th- Turkey bowl!
November 20th- Great American Teach in
November 21st- Thanksgiving Lunch
November 22nd- Early Release
November 25th- November 29th FALL BREAK

Classroom News

Fourth Grade

Fourth grade is so excited about our upcoming field trip(s)! On November 13th, we will be doing our walking field trip to Frazier Fields where through the work we do with the park beautification, we teach students that we all have a responsibility to do our part. Also, on November 14th, we will be going to the Cracker Storytelling Festival. In the midst of all those fun activities, we are also learning:
Our PYP IB Unit of Inquiry: Sharing the Planet
ELA: Learning to explain how text features contribute to the meaning; and identify the text structures of problem/solution, sequence, and description in text.
Math: Explore the multiplication and division of multi-digit whole numbers using estimation, rounding, and place value.
Science: Recognize that humans need resources found on earth and that these are either renewable or nonrenewable
Social Studies: Human Environment Interaction in Florida, Our Changing State; Geography; Financial Literacy

Please continue to ensure your child reads for 30 minutes every day!
As always reach out to your child's teacher with any questions or concerns!

Fifth Grade

Fifth grade would like to welcome Mrs. Zulema Felix to the team. She will be teaching reading and social studies. Mrs. Junious has graciously moved to 4th grade as we opened another classroom in that grade level.

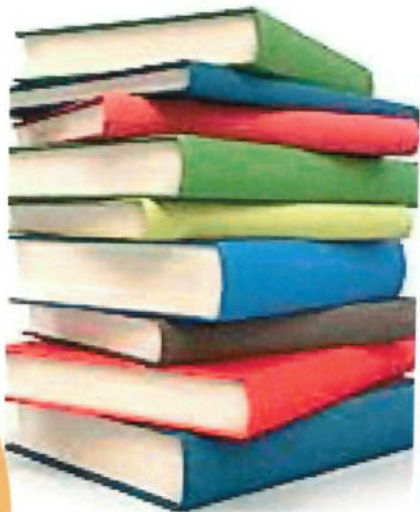

Students recently finished the unit on multi digit multiplication and have moved into multiplication with decimals. In science we have been working on all aspects of our unit in space. Student enjoyed creating the Moon Phases with Oreos!

Huge shout out to Mrs. Burrows' homeroom for having the highest attendance to the first AR party!

We are excited to be attending the Turkey Bowl on Tuesday, November 19th starting at 10:00am. We would love to have our parents join us to cheer on our cheerleaders and football players. Finally, we will have middle school tours coming up in December, be on the look out for permission slips to come home in November.

WHAT'S EVENTS HAPPENING

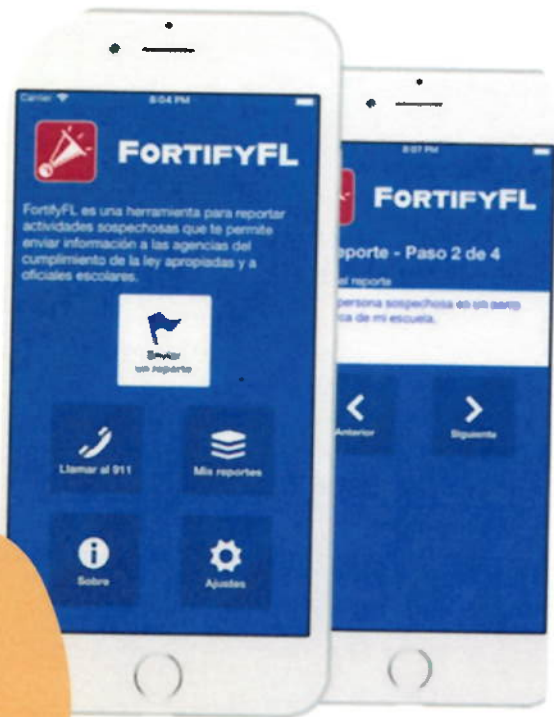

PTO

Our first SAC Meeting will be held on Friday, November 1st at 1:00pm in the PLC room

SAC

Our first SAC Meeting will be held on Friday, November 15th at 1:00pm in the PLC room

parent Tips

Read 30 minutes each night.

Have your child teach you math. Here's a great way to learn something—teach it. Ask any teacher. Most will agree that even when it's something "simple" that they could swear they knew inside and out, once they have to explain it to someone else, they're forced to consolidate knowledge and try new ways of explaining it. When faced with a question that you can't answer, explain that you're stuck too, and challenge your kids to figure it out just well enough that they can try to explain it to you. Even if they help you only a little bit, they may spark insights that allow you to finish where they left off.

PYP-IB Information

Second Grade IB Veteran's program is scheduled for Thursday, November 14th.

“Thanksgiving Lunch”

October 7, 2024

Dear Silver Streak Parents,

On Thursday, November 21st, we are offering a time for families to come together for a Thanksgiving meal during your child’s lunch time. This is a special event at Janie Howard Wilson and we look forward to seeing everyone on campus. The classes will eat at the following times:

Pre-K	12:15 -12:45
Kindergarten	10:15-10:45
First Grade/Wente	10:45-11:15
Second Grade	12:00-12:30
Third Grade	1:05- 1:35
Fourth Grade/ Cole	12:35-1:05
Fifth Grade	11:25-11:50

If you would like to eat a Thanksgiving meal with your child, the cost is \$5.00 per adult and any child that is not enrolled as a student at Janie Howard Wilson. All JHW students are served a Thanksgiving meal this day for free. We look forward to seeing you spend this special time with your child outside on campus. All tickets must be purchased by Thursday, November 15th with cash only. The tickets for the adults will be given the day of the event when you check in under your child’s name. Please return the following information along with your payment below. Please remember to sign in early as all guests will need show ID and get a visitor pass for this event.

Jenny's Penguin Patch® KIDS' HOLIDAY SHOP

is Coming to your School!

Dear Parents,

Your Parent/Teacher Group is excited to announce that your students will be experiencing the Joy of Giving this holiday season.

Students will have the opportunity to select gifts for their loved ones, wrap it up and have it just in time for the holidays. We offer over 100 different gifts starting at 25¢.

Create memories that will last a lifetime!

- 1 Assist your child in setting a budget for each family member with the money envelope provided.
- 2 Join the fun and excitement by volunteering to help during your child's shop.
- 3 Be sure to ask your child why they selected a particular gift... their responses will fill your eyes with tears... sometimes from laughter, but mostly from kindness.
- 4 Be sure to treasure the gift that your child selected for you. Save it and display it proudly... your child will be so proud!

Be sure to ask your child why they chose a particular item... their response will be the real gift!

"Mommy, I know how sad you were when you lost your wedding ring in the sand in Florida. You cried for a long time when we couldn't find it and I wanted to help you feel happy again, so I picked out a diamond ring. Now daddy doesn't have to buy you a new one!"

—Samantha Cooper (Mom to Sadie, Lincoln and Jack in Katy, Texas)

Queridos Padres,

el grupo de padres y maestro esta emocionado en anunciar que los estudiantes experimentaran la alegria de regalar esta temporada festiva.

los estudiantes tendran la oportunidad de seleccionar regalos para sus seres queridos ,envolverlos y tenerlos justo a tiempo para los dias festivos. nosotros ofrecemos mas de 100 diferentes regalos empezando desde 25¢

Crea recuerdos que duraran toda la vida!

- 1 ayuda a tu hijo(a) haciendo un presupuesto para cada miembro de tu familia en el sobre de dinero que se te provera.
- 2 Disfruta de la diversion y emocion como voluntario y ayudando a tu hijo(a) durante sus compras.
- 3 Asegurate de preguntar a tu hijo(a) por que selecciono ese regalo en particular... su respuesta te llenara los ojos de lagrimas... algunas veces de carcajadas pero mayormente de generosidad.
- 4 Asegurate de atesorar el regalo que tu hijo(a) a seleccionado para usted. cuidelo y muéstrelo con orgullo... su hijo(a) estara orgulloso!

Pregunta a tu hijo(a) por que escojen ese articulo en particular... Su respuesta sera el regalo real!

"Mami yo se como te sentiste triste cuando perdiste el anillo de boda en la area en Florida. Lloraste por mucho tiempo cuando nosotros no pudimos encontrarlo y yo quiero ayudar a que te sientas feliz otra vez, Yo escogí un anillo de diamante. Ahora papi no tendra que comprar uno nuevo!"

—Samantha Cooper (Mama a Sadie, Lincoln y Jack Katy, Texas)

Penny War

Janie Howard Wilson Elementary PTO Penny War!

October 31st- November 21st 2024

Put your spare change toward a great cause. Bring your pennies starting Thursday, October 31st for awards day through Thursday, November 21st Thanksgiving lunch day. All proceeds from our penny war fundraiser will go to support student incentives.

Pennies are "positive." Here's how it works:

- Containers are located on the stage for each grade level
- Each penny counts as one positive point for YOUR grade level
- Each silver coin counts as negative points for OTHER grade levels. In other words, dropping a quarter in another grade level bucket takes 25 points from their total.
- At the end of the day on Thursday, November 21st, all change/points will be tallied and the grade level with the most points will win a special treat when we return from Thanksgiving break.

Start saving your change—it can make a big difference!

Penny War Rules

Points:

Adding (+)

1 penny = 1 point

\$1.00 Dollar = 100 points
\$5.00 Dollars= 500 points

Subtracting (-)

1 nickel = 5 points
1 dime = 10 points
1 quarter = 25 points

Penny War Rules

Points:

Adding (+)

1 penny = 1 point

\$1.00 = 100 POINTS

\$5.00 = 500 POINTS

Subtracting (-)

1 nickel = 5 points

1 dime = 10 points

1 quarter = 25 points
