## St. Al's @ a glance

Archbishop Grob came to be our Mystery Reader

Pilgrimage to Greece

# ST. ALPHONSUS PARISH & SCHOOL

Dear Brothers and Sisters in Christ,  
 As I write this letter to you the year 2025 is merely hours away from concluding. 2026 here we come! As I look back on this year, the Jubilee Year of Hope, I am truly filled with Hope and Gratitude!

This has certainly been a year full of changes in the church. First came the Installation of a new archbishop, Jeffrey Grob! Our parish was honored to be one of his first stops in the Archdiocese as we were the host for the annual Archdiocesan Respect Life Mass in early February. A couple of months later, we were bereaved by the death of Pope Francis and a few weeks later were overjoyed with the election of, not just an American Pope, but one who comes from our region, Pope Leo XIV! Much closer to home, we adjusted to parish life with a single priestly presence. Thank you for all of your words of support throughout the year. This adjustment is going well so far.

Sources of hope are everywhere in the life of our parish. I think of those individuals who have chosen to enter the church and who were formed in our wonderful OCIA program! One of my favorite nights of the year is the Easter Vigil on Holy Saturday night, especially when we are baptizing older children and adults! It is a source of hope that individuals continually seek entry into the Catholic Church! I have found hope whenever I hold formation sessions for the parents of our 1st communicants as they get ready for 1st Reconciliation and Holy Communion. I also find hope whenever I visit one of our formation classes or grades in the school. Speaking of the school; for the first time in many years, we have grown in enrollment this year!

I also find hope in our many pastoral care ministries throughout our parish. We have ministers who visit the homebound with Holy Communion on a regular basis as well as many individuals who quietly bring Holy Communion to their ailing parents or spouse. This demonstrates the power of the Eucharist in their lives. I find hope in the several small groups which provide hope for those in the grieving process or who have a loved one struggling with dementia. Our Food Pantry (the only one in Greendale!) and Community Meals programs continue to receive broad support from our parish as does our Mission Appeal for La Sagrada Familia Parish in the Dominican Republic. Finally, our Bereavement Ministry has walked with many families as they journey through the grieving process.

My hope is also renewed every Sunday when we worship together at Mass!

Of course, I can only scratch the surface in the limited space that I have for this letter. As we begin the New Year, I wish to offer you thanks. Thank you for all of your prayers and support through the year! Thank you for your financial support of our parish. Thank you to all of our volunteer ministers in all the areas of our parish who help bring Jesus into the lives of all those in our parish and our wider community!

May the Lord bless you and keep you all in the New Year!

Sincerely Yours in Christ,

Fr. Kevin McManaman  
 Pastor

St. Alphonsus Catholic School had a fantastic 2025!

- In late January, we celebrated Catholic Schools Week and had one of our most successful Open Houses in recent years.
- As the spring continued on we welcomed our new principal, Mrs. Sagat and also had a visit from the newly installed Archbishop Grob, who was the "mystery reader" for our 5K class and then visited all of our classrooms and met many of our students.
- In the fall, we welcomed our students & staff back to school in August. For the 2025-2026 school year, we have 135 students in grades 3K to 8th, and 26 staff members, most of whom are returning! Our longest tenured teacher has been at St. Alphonsus for 25 years, and many teachers now boast tenures of 5 or more years with our school.
- In late September, we hosted our annual Fun Run and blew past our goal of \$20,000 by raising over \$30,000! These funds are being used to upgrade student and staff technology needs throughout the school. Our all school reward was to "slime" Father Kevin and Mrs. Sagat!
- We are also excited to report that St. Alphonsus School is growing, and our early childhood programs continue to thrive! The plan for the 2026-2027 school year is to offer TWO 3K classrooms--both full day, but one classroom with students Monday through Friday and one classroom with students either Mondays, Wednesdays, and Fridays, OR Tuesdays and Thursdays. In addition, we plan to open another 4K classroom.
- Looking ahead for the 2026-2027 school year, we will enter the Wisconsin Parental Choice Program. This will allow us to service the financial needs of some of our current students & families better.

All in all, it is a great time to be a part of St. Alphonsus Catholic School!
