WEDNESDAY NOVEMBER 13, 2024

PLEDGE OF ALLEGIANCE

CHEMIC SALUTES

-Brady Meyette - A huge thanks goes out to Brady for helping to facilitate Veterans Day last Friday. He arrived early in the morning to help greet Veterans, ensured all Vets had name tags, handed out question copies to students, assisted in the rotation schedule, and even stayed after school (on a Friday!) to help clean up the Media Center.

-Chief Science Officers - Thanks also go out to Sophia Knarr, Xinying Lee, and Sophia Mika for the time, energy, and enthusiasm that they put into organizing a STEM-amazing day of science activities and presentations last week at Northeast. They recruited community members to come and talk about various science-based careers. They planned out a full day that helped future Chemics find out about lots of STEM options!

-Mrs. Welser - Mrs. Welser did her part to live out World Kindness Day by helping to open the Exploratorium door for Mrs. McIntyre while she was struggling to manage a stack of project supplies (that would have definitely fallen all over the place if it wasn't for Mrs. Welser's help!).

ANNOUNCEMENTS

-Competitive Cheer tryouts will be held Monday, November 11, Tuesday, November 12, and Wednesday, November 13 from 3:30-5:30 in the loft. Please make sure to have all Final Forms requirements completed and make sure to fill out the Google form link on our Instagram page @mhschemic_cheer

-It's Kindness Week Chemics! Today is all about being kind to yourself! After announcements, your teacher will pass out emoji stickers. Choose one that represents you today and how you feel.

-Like to draw or be creative? Today right after school, join us in the cafeteria for Art in the Afternoon. We will be decorating popcorn bags with positive messages. Join us and bring your friends along!

-Come out and support the Senior boys at 7:15pm Thursday night at Dow High School. They will face the Powderpuff team from across town. This is a charity event and will cost \$3.00 to get in.

-November is National Native American Heritage Month. It is a time to celebrate the traditions, languages, and stories of Native American and Alaska Native communities, ensuring their rich histories and contributions continue to thrive with each passing generation. As a way to recognize this month, Varsity Leadership is offering mini-film festivals during some lunch hour over the next few weeks with our first one this Friday, November 15. During these lunch periods, we will be hosting educational films and discussions in the Little Theatre that will allow us to learn through conversations and films about Native American cultures, traditions, and history. So how can you get involved? Grab your lunch and join us in the Little Theatre this Friday. We will begin the session at 11:05 and 12:05 which gives you plenty of time to grab your food, and friends, and join us as we celebrate Native American Heritage 3Month. We hope to see you there.

-Today is Global Kindness Day. At this time, teachers please carry out the activity that you can find in your email regarding a kindness activity. Thank you.

POSITIVE THINKING

Show Appreciation

People enjoy being acknowledged and appreciated. When was the last time you slowed down enough to thank a person who plays a big role in your life? Sure, you've probably uttered "thank you" along the way, but sitting with someone and really talking about how appreciative you are of their encouragement and support is different. It sends a clear message: You are important to me.
