*I Write The Songs*

Songs In the Key of Life

Do you wanna go party?

Rhinestone cowgirls?

Go ahead and smile, it won't hurt.

Could it be Cinderella and her escorts?

Have you heard about the lonesome loser? Here he is.

Last of the singing cowboys.

"I'm a sucker for you, love."

It takes two to fall in love!

Don't try to explain to her now.

Just to be close to you . . .

What's going on?!

Bernadette they must be laughing at you!

Every Which Way but Loose

Carry on my wayward son!

Graduation Day

Shining Star

Bad Girls

This is it!

Yes, I'm ready

Do that to me one more time

Deep in gossip

Let me show you how he kissed me . . .

Boogie at the Bonfire

Buried in work

Don't worry, there's more film!

Whenever I call you friend!

Florena, the boxer!

Heaven on the *Second Floor*

Wonder what's for lunch?

The Best quality of high school — MATURITY!!

This one's for you, Panthers!

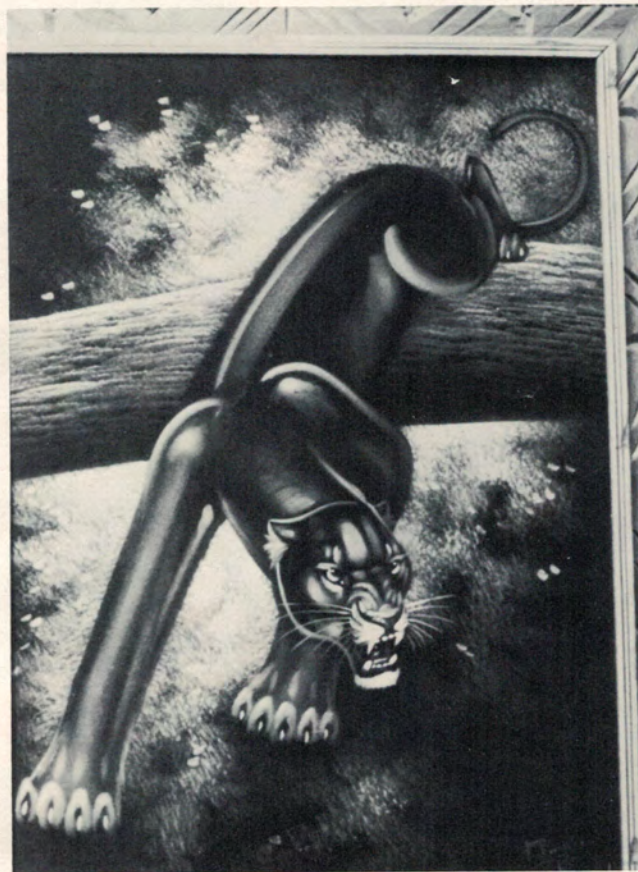

Let's go to the Hop!

Off the Wall

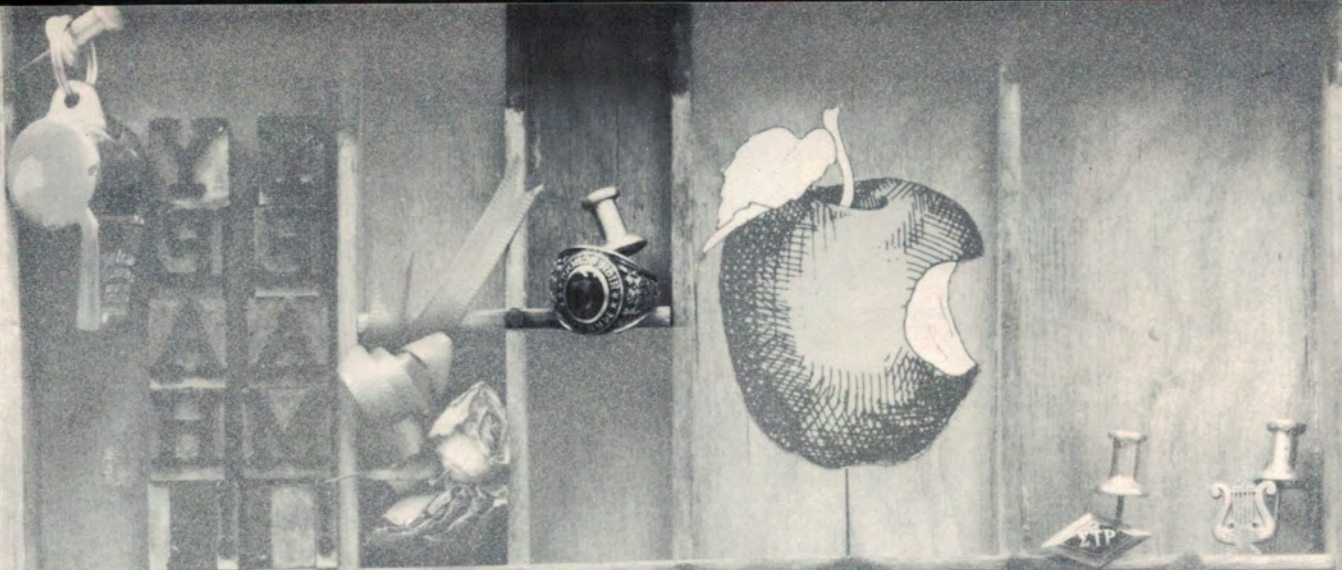

Pride of Bunkie High School

In the Navy, — Rejects!

Don't do me like that!
