

COVID-19 Parent Information & Procedures for SY 2022-2023

Revised August 19, 2022

A NEW VIEW ON THE HORIZON

DAILY HEALTH CHECKS

• <u>Please do DAILY health checks on your students to ensure that each student is free of COVID-19 symptoms BEFORE sending them to school.</u>

SYMPTOMS REQUIRING ABSENCE

- Students <u>MUST</u> remain home if they exhibit any symptoms of COVID:
 - COVID-19 Symptoms include: fever, cough, shortness of breath, chills, body aches, sore throat, headache, congestion, runny nose, nausea/vomiting, new loss of taste of or smell, and/or diarrhea.
 - For additional information, please visit:
 https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html
- Fever of 100.4 degrees or higher
 - Students can return to school after being fever free for 24 hours *without* fever reducing medication

MASK/FACE COVERING

- Will be optional but <u>strongly recommended</u>
- RGSD's Board of Education reserves the right to revise mask requirements based on St. Louis County's COVID Community Level and recommendations.

OTHER MITIGATING PROTOCOLS

- Hand sanitizer will be available.
- Social distancing will be encouraged (as much as possible in a school setting).
- School buildings will regularly be fogged with disinfectant outside of school hours.

REPORTING ILLNESS TO SCHOOLS

- When reporting illness absences, be sure to report if your child:
 - Tested positive for COVID.
 - Has signs of COVID-19.
 - Was a close contact of someone who tested positive for COVID-19.
 - Has been diagnosed with influenza (respiratory flu).

STUDENTS WHO HAVE TESTED POSITIVE FOR COVID

- Must remain home for 5 days of quarantine.
- All students living at the same address as a positive case will be required to quarantine if they are demonstrating symptoms.
- All students who are quarantined will be able to access learning via Google Classroom

RETURNING TO SCHOOL AFTER A POSITIVE COVID DIAGNOSIS

• Students will be required to wear a mask/face covering for 5 days after returning to school.

STUDENTS SUSPECTED OF COVID AT SCHOOL

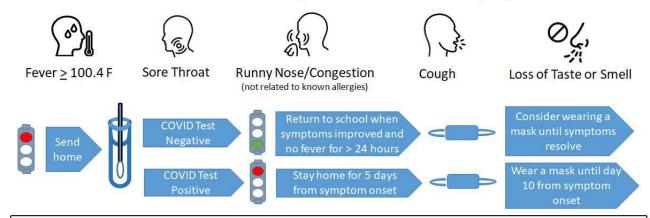

- When a student exhibits symptoms of COVID-19 while at school:
 - Parents will be contacted to pick up students.
 - Parents will be required to pick up their student within 1 hour after being notified.
 - All students living within the same address will be assessed by the school nurse. If demonstrating symptoms, these students will be required to quarantine for 5 days and wear mask/face covering for 5 days after returning from quarantine.
- It is recommended that a student suspected of COVID be tested.

CLOSE CONTACTS

- Close contacts of a positive or suspected case of COVID, will **NOT** be sent home to quarantine
- Close contacts will only be placed in quarantine *IF* they are displaying COVID-19 symptoms.
- If displaying symptoms, close contact will be required to quarantine for 5 days and must wear a mask/face covering for 5 days after returning from quarantine

Student Symptom Decision Tree

Screen all students for potential COVID-19 symptoms

One: Test with any ONE or more symptom(s) not explained by a known medical problem.

Two: Consider repeat testing on TWO separate days for individuals with progressive symptoms or known high-risk (household) contact. Free: Using the FREE tests available from the US government or other purchased tests at home is acceptable.
