Principal's Corner

Hello Pe Ell School Community. I would like to welcome all of the students back for the beginning of the 2022-23 school year. I am very excited about this school year with the changes that have been implemented within the school. I am looking forward to working with the students primarily in grades 9-12 but also still be able to associate with the middle and elementary school students during the day. I am happy to say that our high school students are eager to get back to learning and I hear many positive things coming from teachers and classes. Student enthusiasm is up and it is nice to be able to walk down the halls and see kids laughing with one another. In classes, students are working hard in each of their classes and learning is happening. I am looking forward to this year and wish all students and families the best for the 2022-23 school year—Keith Shepherd

Staff News

Welcome our new teacher, Tyler Frazier!

Here is a brief Bio of Tyler Frazier: "My name is Tyler Frazier, I went to Pe Ell High School and graduated long ago, but that's why I want to teach here. I went to Washington State University and studied and received my degree in 'United States History' and am currently working on getting my second degree in Special Education at Centralia College. In my free time, I am fairly laid back. I usually like to read multiple books at the same time. Currently I am reading "The Storm Before the Storm", a book on the Roman Republic because Rome is my absolute favorite historical period to study. Along with that I am reading a book on the War of 1812 and World War One while also listening to an audiobook on Medieval Europe; to add to that mix I also like to read Fantasy books; currently I am also reading the "Stormlight Archive". There's not much else to tell. I love studying history and reading while also throwing in some video gaming while I am at it, and I hope to keep working at Pe Ell for the foreseeable future. Lastly, I spend pretty much all of my time with my wife Jenn who is also my best friend and who loves to read just as much as I do."

TASTE WASHINGTON DAY WEDS. OCT 5

Highlighting local farm fruits, veggies, milk and milk products served fresh on a daily basis when available. We are partnering with the SW WA Food Hub for a great quantity of our local foods this year as we received a WSDA Farm to School Grant. Also, Burnt Ridge Nursery in Onalaska has supplied us many local fruits from their farm for many years and although we won't be able to serve Kiwi Berries and Asian Pears from their farm this year due to cold spring weather conditions, we will still have their delicious apples! We are also thrilled to announce we will be serving ice cream and sorbet made in Shelton, WA by Olympic Mountain Ice Cream!
