

Jack Daley Primary School

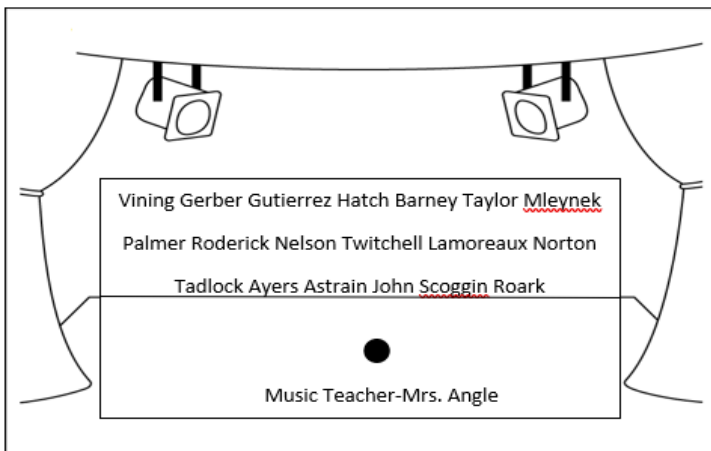

April NEWSLETTER

Principal's Corner: Spring is upon us! All this wonderful rain should bring us some beautiful spring flowers, and green grass. Spring also puts us into the final grading period of the school year. Teachers and students are working hard to master the skill and standards necessary to complete the school year successfully. As we move closer, and the end is mentioned more, please understand that students will continue to be challenged and expected to work and give it their all to the very end. We ask for your help by continuing to complete homework and reading at home every day. Our goal is to have your student as prepared for their next step in their academic futures and we cannot do it without your continued support. Please continue to stay in contact with your student's teacher as this can make a huge difference in their success and attitudes.

~Mr. Gifford, JDPS Principal

JDPS Character Trait for April-Perseverance

2nd Grade will be raising money for the Kid's Heart Challenge. This will start on April 1st. All money or online donations are due April 26th. Top fundraisers will get to dine Mr. Gifford, Mrs. Tadlock and Miss Astrain.

MUSIC: Happy spring from the music room! The kids have come so far since our last concert, and we are so excited to show what we have learned in the last few months. Through learning music, students are supported in language arts, math, science, critical thinking, history, and so much more. We are excited to celebrate America's history in this concert as we perform some of the classic folk songs that have been sung for centuries. Dress for the concert will be red white and blue with no headpieces so all children can be seen during the performance. Students will be placed by class in the order shown above, so you can seat yourself and any family members accordingly. Our concert featuring American folk songs will be Tuesday, April 16th, beginning at 8:30 for Kindergarten/T1, 9:00 for 1st grade, and 9:30 for 2nd grade. Please make sure your student is on time to school that morning, and we'll be excited to see you at Eastern Arizona College's fine arts. Mrs. Angle-Music Teacher

We are Eagles. Watch us Soar!
