MSCHOLASTIC BOOK FAIR

Dear families,

Get ready—the Scholastic Book Fair is coming to our school! This is a great opportunity to build your child's home library with new books they'll dive into again and again.

The easiest way to let your child shop the Fair independently is by creating an eWallet. It's easy to set up and easy for others to add funds.

Create an eWallet, and you'll also have the opportunity to contribute to Share the Fair - the giving program that supports students at our school who need help buying books. Consider participating so that no child leaves the Fair empty-handed!

Here's everything else you need to know about the Book Fair:

Dates: October 13, 2025-October 17, 2025

Location: Growth Room

For full details, and to create an eWallet, visit our school's Book Fair homepage: https://bookfairs.scholastic.com/bf/mountainvistaschool

More than ever, we need to get students reading. Studies prove* that children with more books at home have higher-level reading skills, and attain more years of education overall.

Lastly, this is a great opportunity to be a Book Fair volunteer! When you give your time, it helps make our Fair an unforgettable reading experience where *every purchase* benefits our school directly.

Happy reading,

Mrs. Amber Cruea

Student Council Sponsor

P.S. Don't miss out! A new Scholastic sweepstakes offers a chance to get more books for your child's home library–plus an unbelievable vacation!

DONOVAN TOLBERT

Donovan Tolbert is a former NCAA Division 1 student athlete and ranked among the Top 1% in the nation. He is also accredited with breaking his own personal, school, and fieldhouse record in the triple jump. Many would refer to him as a champion, however, he was constantly overlooked and ignored during his early years of life. Even after earning a spot on his high school team, Donovan recalls the inadequate feeling of coming in dead last. Success seemed so far-fetched that over a period of time, as a youngster, he developed a very weak mindset. He had an array of limiting beliefs as an athlete, student, and eventually as an individual.

At Donovan's lowest point, he made the wise decision to ask for help and seek the support of his parents, coaches, teachers, and mentors. Through these personal interactions with positive influences, he was able to develop successful strategies which began to strengthen his mindset. As Donovan continued to implement these strategies, he began to excel all the way up becoming a 2-time gold medalist, record holder, and a Top 9 ranked national competitor by ESPN! He solidified his place, stamping a mark in history.

Donovan's profound journey, going from Zero to Hero, made such an impact in his community that he devoted himself to continue sharing his story. He used his unique life experience to craft the signature speech "Overcome Your Impossible." Donovan made a jump from the field to the stage becoming an award winning motivational speaker. His purpose in life now, is utilizing his voice as a positive influence, as he strives to make an impact on over 50,000 students, student athletes, coachés, administrators, and support staff. Donovan has become accustomed to success and has made excellence his standard. He attributes it all to the character development received from his family, coaches, and educators.

Donovan Tolbert has become passionate in replicating his success in other students, and uses research-based social-emotional learning strategies to improve student retention, increase graduation rates, and boost academic success.
