5. Cognia Accreditation
6. Upcoming Events at JMS
7. Questions
8. Closure

Overview of SIC Meeting on Thursday, November 3, 2022

The meeting began at 6:00 pm, and handouts were presented to SIC members consisting of the principal’s PowerPoint, the meeting agenda, and a copy of the school report card for 2022. After going through JMS state scores from spring of 2022 and the school report card results, the principal shared school incentives that JMS has created to encourage students to make academic gains. Reading Plus, i-Ready, and Dream Box

Math information and incentives were discussed with parents as well. (See Power Point attached)

Principal shared that the JMS Facebook site had 880 followers and how the website is parent and student friendly. Information about what could be found on the website page was also shared. It was stated that Kayla Bellflowers was doing an outstanding job with both the Facebook page and school website updates. One former SIC member stated how excited she was over the Facebook page because she had made recommendations for this at the end of last school year.

Mrs. Squires, the principal, shared how the district is preparing for Cognia next fall. She explained Cognia and how this process is about improving schools. Information was shared on how the process begins and will involve everyone in our school district working together to improve school culture, leadership, instruction, and engagement across the district. It was emphasized that this accreditation is a “quality” assurance process under which services and operations of educational institutions and programs are evaluated and verified by an external body to determine whether applicable standards are met. It is a launchpad for improvement that is based on

rigorous research-based standards and evidence-based criteria.

The following events/dates were shared with the SIC committee.

November 7- 6th Grade Trip to Wonderworks/6th Grade teachers were given permission to wear jeans on their field trip
