St. Anne School STS Tuition Assistance Process

STS Financial Aid Application

Steps to complete the STS Financial Aid Application:

1. **Log onto the St. Anne School website homepage and click the "Parent" tab at the top of the home page.** Scroll down to the "Simple Tuition Solutions Tuition and Tuition Assistance" then click the "STS Tuition Information"
2. If you already have an account, click **"LOG IN HERE"**
3. If you do not have an account, click on the Orange Button that says, **"Create My Account."** Once you create your account will be sent to a page that will allow you to **"Start a new Application."**
******NOTE:** You may include ALL your students on one application, even if they attend other private schools.
St. Anne Scholarship Code - 20398
4. The application Process is 8 Steps counting the payment step, each step will save as you advance to the next step. You can use the 8-step tool bar across the top of the page to toggle back to a previous step and make any necessary edits. However, please note, once you complete the process of uploading your required financial documents it will lock the application from all editing. At this point, if any changes would need to be made to the submitting application, you can gladly email STS at support@simpletuitionsolutions.org or call 717.599.7611 option 1.
5. After completion of the payment process you will be advised as to which financial document you need to provide STS. You will also be sent an email that outlines what you need to provide, as well as introduce you to the application processor who will be managing the review of your application.
PLEASE NOTE: You can simply scan or take a photo of your financial documents and upload them into STS's system using STS's convenient upload feature. This is the fastest way to provide STS with your required financial documentation. However, you can also mail the signed copies of your financial documents to STS to the following address: **Simple Tuition Solutions, LLC, P.O. Box 779 Camp Hill, PA 17001.** Once your financial documents are loaded, the system will lock the application from all editing. At this point, if any changes would need to be made to the submitting application, you can gladly email STS at support@simpletuitionsolutions.org or call 717.599.7611 option 1.

Finally, once STS has received all the required financial documentation from you, STS's application processors will verify the data and review your entire application per Pennsylvania State Law to determine your eligibility for any State Programs. You will be notified directly via email upon the completion of this verification/review process. In addition, the results will also be available to your School, or any Scholarship Organization associated with the scholarship.

*****Please note:** STS handles the verification and eligibility determination for aid, **BUT DOES NOT HAVE ANY** input, control, or insight into determination into scholarship amounts or how and when they are awarded.

Questions about specific tuition and scholarship amounts should be directed to: Mrs. Vasko at:
rvasko@stannebethlehem.org
