Prattville Elementary School  
2024-2025

## Meet the Teacher

Hello!. My name is Tara Stull and I will be the Special Education teacher for your students class this year. This will be my fifth year teaching, and my fourth year in a self-contained setting.

In May of 2017 I graduated from the University of Montevallo with a bachelor's degree in Deaf Education, and again in May 2019 with a Master's in Special Education. I hope that my passion for students with special needs and education will help foster a love of learning in all of my students!

I am excited to get this new school year started!

Go Bobcats!
