

TYPING CERTIFICATES

Candidates are responsible for obtaining a typing certificate when required. The minimum net typing speed is shown on the vacancy announcement if applicable. Please upload a copy of your typing certificate to your application.

The SMJUHSD does not accept typing tests taken online. A valid certificate may be obtained through an employment agency or a business college. A certificate is considered valid provided the following items are indicated on your typing certificate:

1. Minimum **5-minute** typing test.
2. Documentation of Gross Words Per Minute (GWPM) minus errors (subtract one word per error from GWPM) equals Net Words Per Minute (NWPM).
3. Date test was administered (must be within the last 6 months).
4. Signature of test proctor on agency form/letterhead.

Applicants who have not provided the required minimum typing certificate will not be invited to the written test.

The following agencies have testing available. Please contact them to verify availability and fees.
