

Daily Schedule

Discovery Place Preschool Jackson County Central Schools

While each teacher and classroom might look a bit different, here's what your child can expect on a "typical" day in preschool!

Please keep in mind this is subject to change and we are constantly adjusting to make our classrooms run well for everyone!

3s Classrooms:

As our friends arrive, we will explore and visit various centers.

Once all of our friends are together and we've had time to socialize, it's Circle Time!

Of course, by this time we are all ready for a snack! So now it's time for a Bathroom/Snack break!

After we have full tummies, it's time for the story / question of the day / daily message together.

We will also get to visit the gym space at school for our large muscle time!

Dismissal. We head home to share all that we've learned and explored and discovered today!

4s/5s Classroom:

Play. Learn. Grow. and FUN!

Every day starts with breakfast, free time, and socializing.

Morning meeting time is next. We sing, dance, share stories, and laugh while answering the silly question of the day.

Following our morning meeting, we move on to large group activities that will help us learn our new skills for the day, along with reviewing old skills.

Center time is up next. During centers, students get time to practice new skills, strengthen their fine and gross motor skills, explore at the sensory table, and create in our imagination station.

After the busy morning of learning in the preschool room, the preschoolers go to music/art and gym.

Our fun filled morning is then followed by; lunchtime, recess, nap time, snack time, science fun, and more free play.

The day is completed by a short closing meeting before the kids leave with a hug, handshake, high five or maybe even a fist bump. A perfect way to say goodbye until next time!
