

TRAIL OF ROSES PILGRIMAGE

Come and join us as we walk through the streets of Pasadena leaving a trail of roses with our prayers!

This will be a 3-mile inclined walk for the spiritual baptism of all aborted babies, and for all expectant mothers - those struggling with their pregnancies along with those joyfully expecting!

Departing from St. Philip's Church in Pasadena, we will recite all 20 decades of the rosary, pausing after the first 10 decades near the Planned Parenthood on Lake Ave., to recite the Divine Chaplet of Mercy as we spiritually embrace their facility. Then we will continue with the last 10 decades as we make our way to the Grotto at St. Elizabeth Church in Altadena. We will end with songs and roses for our Blessed Mother and some light refreshments and fellowship.

This will be a challenging walk, but all are invited to participate. For those unable to walk with us, I cordially invite you to meet us at the Grotto and pray all 20 decades of the rosary there while we make our way up to the Grotto!

**For those making the walk, please be sure to invite a friend or family member who can meet you at the Grotto or pick you up as there will be no transportation back to St. Philip's.*

*These roses dear Mother we
lay at your feet
That you may de-thorn
them as we walk through the
streets*

*Singing your praises and
calling on Thee
To protect all babies from
our enemy.
Amen!*

TRAIL OF ROSES PILGRIMAGE

Dear Friend in Christ,

I would like to tell you about a pilgrimage that has been stirred in my heart by Our Blessed Mother Mary.

This will be a 3-mile inclined walk for the spiritual baptism of all aborted babies, and for all expectant mothers - those struggling with their pregnancies along with those joyfully expecting!

Departing from St. Philip's Church in Pasadena, we will recite all 20 decades of the rosary, pausing after the first 10 decades near the Planned Parenthood on Lake Ave., to recite the Divine Chaplet of Mercy as we spiritually embrace their facility. Then we will continue with the last 10 decades as we make our way to the Grotto at St. Elizabeth Church in Altadena. We will end with songs and roses for our Blessed Mother and some light refreshments and fellowship.

For with prayer all things
are possible, and with Our
Mother all prayers are
assured!

My hope with this pilgrimage, is to ignite a flame within our community of renewed fervor and zeal for the Faith! That by our sacrifices and prayers, through the grace of Our Lord Jesus Christ and the intercession of Our Blessed Virgin Mother, more than one life may be saved!

In Cordé Mariae.
