SAINTS NEWSLETTER

Welcome to 2022-23 School Year

FALL 2022

Message from the Principal

Dear Students, Parents, and Community,

On behalf of the entire SMHS staff, welcome to the beginning of the 2022-23 school year. As most of you know, Santa Maria High School is the "Home of the Saints" and has long served as a source of pride in our community. SMHS has an incredible staff devoted to preparing all of our students for a successful life after high school. We are excited to begin the 130th school year at this historic site and are looking forward to all the activities and opportunities we have planned for our students.

Academically, our school data indicates a positive trajectory for SMHS including a graduation rate above the state average, an A-G completion rate consistently on the rise, an English Learner reclassification rate at an all-time high, and the highest number of students accepted to a California University in all of Santa Barbara County.

Our facilities are also improving as work continues on our expansive construction project including a new, state-of-the-art, fifty-classroom building. When completed in the fall of 2023, SMHS will have one of the most efficient, effective, and beautiful campuses in the area.

Santa Maria High School also continues to offer a multitude of extra-curricular activities including athletics, visual and performing arts, vocational education, and a robust list of clubs and community service opportunities. We encourage all of our students to take advantage of what SMHS has to offer.

With facilities improving and academic indicators all on the rise there is a positive momentum at SMHS that is enjoyed by students, staff, and parents. SMHS is going in the right direction and is set to take another significant step forward this year. For more information about SMHS please browse through our website at www.santamariahighschool.org. I look forward to working with all of you, get ready for a great year, and "Go Saints!"
Steve Campbell (SMHS principal)

The website is accessible by clicking on this Titan link which is also located on the District and high school websites. Paper forms are also available at each school site's community liaisons' office and at the District Support Services Center. The online and paper survey forms will be available after August 1, 2022.
