Advisory Board/School Council Minutes

May 6, 2026

Dr. Rush met with the School Council Advisory Board.

Dr. Rush shared that Langston Road Primary School won a Military Flagship Award. This is the same award that State Superintendent Richard Woods presented to Langston Road Elementary School, prior to the opening of Langston Road Primary. The Military Flagship ceremony will take place at LRPS on May 13 at 1:15 pm. Attendees will include the state superintendent, our executive cabinet, some local government officials and AFB personnel.

Dr. Rush reviewed some end of the school year events, such as the Retirement banquet (mentioned that there are 3 LRPS faculty members retiring), the PBIS party on May 15, Second Grade Day on May 18, and class parties will also take place on May 18.

Spring MAP testing was mentioned. ELA scores are in and are looking very good. Students are in the process of taking the math portion of the MAP assessment and will be finished with that next week.

Dr. Rush stated that LRPS is adding an additional MOID classroom for next year. There is currently one MOID class. There are 2 special education paraprofessional vacancies to fill as well.

The meeting was adjourned.
