Be Safe, Be Responsible, Be Respectful and Be a Positive Learner

Evaline Weekly News

11-6-2026

The Evaline School District #36 complies with all federal rules and regulations and does not discriminate on the basis of race, creed, religion, age, veteran or military status, color, national origin, sex, sexual orientation including gender expression or identity, or use of a trained guide dog or service animal by a person with a disability. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities and provides equal access to Boy Scouts and other designated youth groups. Inquiries regarding compliance and/or grievance procedures may be directed to, the school district's Title IX/RCW 28A.85 Officer and/or Section 504/ADA Coordinator, Kyle MacDonald at 111 Schoolhouse Rd Winlock, WA 98596, **360-785-3460** kmacdonald@evalinesd.k12.wa.us

Thank you

to all our parents and guardians for attending your student's conference this week. It was great to see you all and it is a joy to have your student(s) here at Evaline school!

Veterans Day, November 11th

This Veterans Day, we pause to honor and thank all the brave men and women who have served our country. Your courage, dedication, and sacrifices protect our freedoms and keep our communities safe. We are especially grateful for the veterans within our own Evaline families and community, thank you for your service!

Reminder: No school on Wednesday, November 11th.

WREATH ORDERS
DUE NEXT FRIDAY Nov. 13th

Please make sure to get your wreath orders to the office by the end of the school day on November 13th. Orders can be picked up on Nov. 24th before 3:30pm and Nov. 25th before 11:30 am. Thank you for supporting Evaline students! There will be a prize of hot cocoa with marshmallows and whip cream for any student who sells at least one item. The hot cocoa prize will be served on Nov. 25th. There will also be prizes for our top 3 sellers!

Bus Reminders

Dear parents/guardians, we would like to remind all students that there is **no eating on the bus.** Please do not send any snacks for the bus as eating on the school bus is not allowed. We also would like to remind everyone that cell phone use is not allowed on the bus or at school. Students are allowed to bring tablets on the bus to play appropriate games or read. In addition we highly recommend your students bring a good book and read. **Thank you for your continued support keeping Evaline students safe!**

Mon. 21st - Fri. Jan. 1st: No School, Winter Break

Title 1 / LAP Annual Parent/Guardian Meeting Wednesday, Nov. 18th

Parents who received information at student conferences on our Title 1 and Lap Programs are invited to join us at our annual Title/LAP Parent/Guardian Meeting on **Wednesday, November 18th at 3:15pm** in the Office conference room.

Fall Food Drive

Our school will be gathering food for our 6th annual Food Drive beginning Monday, November 16th, for the Winlock Vader Food Bank. We will be encouraging our students to talk with their family members about what they can bring to school for this community service project. The goal for our school is to bring in over 170 items (approx 2 items per student / staff member). We are asking students to donate new pre-packaged or canned food items, which can include favorite food items that other children might enjoy, or easy meal makers such as tuna helper with tuna. Students can also donate unopened cat and dog food or other household items such as packages of toilet paper, soap, toothpaste or deodorant. Last year we exceeded our goal, much to the excitement of our students, so we are hoping to do the same this year! We are emphasizing the cooperative, service, and gratitude aspects of this project this year, so our focus will be based on meeting this goal and need together. Please send what you can and lend a helping hand. Watch our newsletter for updates regarding our delivery day, during the first week of December.

TK and Kindergarten
Mrs. Tinnin

This week in Kindergarten, students are learning the letters v, p, e, and z while continuing to review previously introduced letter sounds. Several students have begun reading BOB Books, which are early readers designed to reinforce the phonics skills we're practicing in class.

We also wrapped up our unit on The Five Senses. Students explored how each sense helps us in our daily lives and learned about Ray Charles and Helen Keller, two inspiring individuals who accomplished amazing things despite challenges with one or more senses.

In math, kindergarteners are working with numbers 1–10, using the terms greater than and less than to compare quantities.

Our TK class will start their Animals unit! Students will discover different types of animals and learn how they survive in their environments. They will also begin to practice writing their names. In math, TK students are finishing up working with numbers 1 through 5 and will start exploring shapes and their attributes.

It was wonderful meeting with all of you during conferences to discuss your child's progress and growth this year. Thank you for taking the time out of your busy schedules to connect with me!

First and Second Grade Explorers
Mrs. Mittge

Thank you for attending your child's conference this week! I am so thankful for all of you and your children!

Despite the early release times we had full math and ELA instruction. First grade students used the Commutative Property of Addition. Second graders are working with compensation.

For ELA we concentrated on reading, comprehending, and exploring voting and Veteran's Day. After reading about voting we had a mock election on the best snack for 1st and 2nd graders: crackers, cookies, or fruit. We had caucuses, debates, and discussed the pros and cons of each "candidate" so we could make informed voting choices. Students cast their ballots and we graphed the results. Fruit was voted on as the best snack for students.

Thank you for your help and support as we all work to grow these exceptional, fun, smart young learners. As we venture into this month of thankfulness, I am so thankful for the opportunity to work with all of you and your children!

Third and Fourth Grade Classroom
Mrs. Mars

Students were introduced to this year's Christmas Play *Hey, You're Not Santa!* We did a reader's theater of the script letting students try out several roles before opening our voting booth on Tuesday where students got the opportunity to vote for the role they wanted. Students should have time in class to learn their lines however if they are struggling I will ask them to do some added work at home. Costume needs will go home as soon as they are finalized so families have plenty of time to prepare. Our costumes will be pretty simple this year and you shouldn't need to purchase anything. We are looking for one cow costume if you happen to already have one please let me know.

Congratulations to all of our students who have reached AR leaps.

Leap 1- Graice, Rowan, Braelynn, Emerson, Hoyt
Leap 2- Faye
Leap 3- Willow C, Willow D, Pippa
Leap 4- Eli, Ellis, Eliana, Wesley
Leap 6- Hemmy
Leap 11-Demy

Fifth and Sixth Grade Classroom
Mr. Burlingame

It was wonderful to see so many families during conferences this week! Thank you for taking the time to meet and talk about how students are doing so far this year.

We have also started preparing for our Christmas program! Students have received their scripts for *The Trial of Santa Claus* and have already begun practicing their parts. In this courtroom comedy, Santa finds himself on trial, and our students will have to help determine how the case unfolds. We are looking forward to bringing the story to life and sharing it with everyone at our Christmas program!

Next week, 6th graders will start to get ready for their Thanksgiving speeches that they will be giving at our annual Thanksgiving feast.
