District Description and Trustee Zones(continued)

Redefining Trustee Zones

The boundaries of the Trustee zones in this District are to be defined and drawn so that, as reasonably as may be, each such zone shall have approximately the same population. Trustee zones in this District will be determined to have approximately the same population when the populations of each Trustee zone do not vary by more than ten percent (10%).

The Board of Trustees will initiate a proposal to redefine and change Trustee zones at the first meeting following the report of the decennial census. In addition, the Board or a patron may propose that a Trustee zone be redefined at any time. Within one hundred twenty (120) days following the report of the decennial census or the receipt of a petition to redefine and change the Trustee zones, the Board will prepare a proposal for a change which will equalize the population in each Trustee zone. The proposal will include a legal description of each Trustee zone as the same would appear pursuant to the proposal, a map of the district showing how each Trustee zone would appear, and the approximate population each Trustee zone would have, should the proposal become effective.

The Superintendent or designee will be authorized to review the decennial census, or any proposal to change Trustee zone boundaries, and determine whether there has been a shift in population which causes the current Trustee zones to not contain approximately the same populations. If it is determined that the population has changed so that the Trustee zones are not of approximately the same population, the Board will appoint a committee, composed of interested parties, to review the matter. The committee will propose to the Board modifications to the Trustee zone boundaries which are intended to equalize the population in the various Trustee zones.

The proposal will be submitted to the State Board of Education for approval. The State Board of Education will approve or disapprove of the proposal within sixty (60) days and give notice of its decision to the Board in writing. If approved, the Trustee zones will change pursuant to the proposal. If disapproved, the Board must submit a revised proposal to the State Board of Education within forty-five (45) days.

Implementation of Proposal to Redefine Trustee Zones

At the next regular meeting of the Board following the approval of the proposal, the Board shall appoint from its membership a Trustee for each new Trustee zone to serve as Trustee until that incumbent Trustee's three (3) year term expires. If the current Board membership includes two (2) incumbent Trustees from the same new Trustee zone, the board shall select the incumbent Trustee with the most seniority as the Trustee to serve the remainder of his or her three (3) year term. If both incumbent Trustees have equal seniority, the Board shall choose one (1) of the Trustees by the drawing of lots. If there is a Trustee vacancy in any Trustee zone, the Board shall appoint an individual residing in the Trustee zone to serve as Trustee until the next annual meeting.

1000 - THE BOARD OF TRUSTEES

Membership

1100

The School District is governed by a Board of Trustees consisting of five (5) members, each member to represent a different trustee zone. Each member must be a qualified voter in the School District and a resident of the zone he or she represents.

This board has the powers and duties attributed to it by the Constitution and laws of the State of Idaho.

Individual members of the board have no power separate from the board as a whole. Members of the board have authority only when acting as a board legally in session.

The board is not bound by any action or statement on the part of an individual board member except when such statement or action is in pursuance to specific instructions from the board.

No board member, by virtue of his or her office, may exercise any administrative responsibilities with respect to the schools or, as an individual, command the services of any school employee.

The Board's powers and duties include the broad authority to adopt and enforce all necessary policies for the management and government of the public schools. Except as otherwise provided by law, Trustees shall hold office for terms of three (3) years, or until the annual meeting of the Trustee's District held during the year in which Trustee's term expires.

All Trustees shall participate on an equal basis with other members in all business transactions. Official action by Board members must occur at a duly called and legally conducted meeting. A meeting of the Board means convening to make a decision or to deliberate toward a decision on any matter.

School Board members, as individuals, have no authority over school affairs, except as provided by law or as authorized by the Board.

Elections

Elections conducted on behalf of the District are nonpartisan elections governed by the election laws of the State of Idaho and include the election of the Board Trustees, various public policy propositions, and advisory questions.

Board Trustee elections shall be held on the first Tuesday following the first Monday in November in odd-numbered years. Any person legally qualified to hold the position of school district trustee may file a declaration of candidacy for the office. The declaration must include the name of the candidate, the term for which declaration of candidacy is made, and include the signatures of not fewer than five School District electors residing in the trustee zone of which the candidate seeks election. Such declaration must be filed with the clerk of the District not later than 5:00 PM on the ninth Friday preceding the day of the election for the subject Trustee position. Any person seeking to become a write-in candidate must file a declaration of intent with the county clerk not later than 45 days before the election date and include the signatures of not fewer than five school district electors residing in the trustee zone of which the candidate seeks election.

If, after expiration of the date for filing written nominations, it appears that only one qualified candidate has been nominated for a position or if only one candidate has filed a write-in declaration of intent, no election shall be held for that position. The Board or the clerk, with the written permission of the Board, shall declare such candidate elected as a Trustee. The clerk shall immediately prepare and deliver to the person a certificate of election signed by him or her bearing the seal of the District. All other scheduled trustee elections will move forward under the regular procedures.

In each trustee zone, the person receiving the greatest number of votes cast within his or her zone shall be declared by the Board as the Trustee elected from that zone. If any two or more persons have an equal number of votes in any Trustee zone and a greater number than any other nominee in that zone the Board of Trustees shall determine the winner by a toss of a coin.

District Policy

1300

The adoption of new policies and the revision and amending of existing policies shall be the sole responsibility of the Board of Trustees.

All policies shall conform to local, State, and federal laws as well as to the rules and regulations of the State Board of Education.

Adoption and Amendment of Policies

Proposed new policies and proposed changes in existing policies shall be presented in writing for reading and discussion at a regular or special Board meeting. Such proposals may be referred to the Superintendent for detailed study as needed prior to Board action on the proposal. The Board encourages the Superintendent to contact other experts to have potential policies researched. Interested parties, including any Board Member, citizen, or employee of the Board may submit views or present data or arguments, orally or in writing, in support of or in opposition to proposed policy. Any written statement by a person relative to a proposed policy or amendment should be directed to the District clerk prior to the second reading.

Proposed new policies and proposed changes in existing policies shall undergo a minimum of two readings in the following manner:

1. At a regular or special Board meeting the proposed new or amended policy shall be presented in writing for reading and discussion; and
2. The final vote for adoption shall take place not earlier than at the second reading of the particular policy.

All new or amended policies shall become effective upon adoption, unless a specific effective date is provided in the motion for adoption.

Policies as adopted or amended shall be made a part of the minutes of the meeting at which action was taken and shall also be included in the District's policy manual. Policies of the District shall be reviewed annually, unless otherwise detailed in a specific policy OR periodically, unless otherwise detailed in a specific policy by the Board.

His or her decisions, however, shall be subject to review by action of the Board at its next regular meeting. In addition, it shall be the duty of the Superintendent to inform the Board of such action and the need for policy.

Suspension of Policies

Under circumstances which require a waiver of a policy, policy may be suspended by a majority vote of the members present. In order to suspend a policy, all Trustees must have received written notice of the meeting which included a proposal to suspend the policies with an explanation of the purpose of such proposed suspension. If such a proposal is not made in writing in advance of the meeting, the policies may only be suspended by a unanimous vote of all Trustees present.

Policy Manuals

The Superintendent shall develop and maintain a current policy manual which contains the policies of the District. 2. “Parents” means parents or legal guardians;
3. “Placement” means the program concerning the educational placement of the student.

1. The specific nature of the dispute;
2. The specific relief or remedy requested; and
3. Any other information the School District or parents believe is important to understanding the dispute.

The hearing procedure shall be presided over and decided by an impartial hearing officer. The Superintendent of Schools, or his/her designee, shall select an impartial hearing officer within fifteen (15) days of receipt of the request for a Section 504 hearing. 1. A statement of the time, place, and nature of the hearing;
2. A statement of the legal authority and jurisdiction under which the hearing is being held;

School Board Use of Email, Social Media, and District-Provided Electronic Devices

Use of electronic mail (e-mail) by members of the Board will conform to the same standards of judgment, propriety, and ethics as other forms of school board-related communication. Board members will comply with the following guidelines when using e-mail in the conduct of Board responsibilities:

1. The Board will not use e-mail, communications via social media, or other electronic communications as a substitute for deliberations or voting at Board meetings or for other communications or business properly confined to Board meetings.
2. Board members will be aware that e-mail and e-mail attachments received or prepared for use in Board business or containing information relating to Board business (regardless of whether sent or received on a school owned computer or personally owned computer) may be regarded as public records, which may be inspected by any person upon request, unless otherwise made confidential by law. Additionally, if a Board Member is utilizing a school-owned technology device for personal purposes, such communications may also be subject to production in a public records request.
3. Board members will note that individual postings made to social media sites should be considered carefully in light of how they would reflect on the poster, the Board of Trustees, and the District. Opinions expressed by staff on a social networking website have the potential to be disseminated far beyond the speaker's desire or intention, and could undermine the public perception of fitness of the individual to serve students' interests. Individual Board member postings are an act of the individual and are not an act of the Board.
4. Board members will comply with the same standards as school employees with regard to confidential information and security measures taken when sending it electronically.
5. Board members shall refrain from downloading or using the TikTok app or visiting the TikTok website on any District-provided device or while connected to the District's network. If TikTok has already been downloaded onto a device issued to a Board member by the District, the Board member shall delete the app or seek District assistance in deleting it.

Trustees shall not use District-provided email or social media for personal purposes.

Use of any District-provided electronic device for informal or personal purposes is permissible within reasonable limits provided it does not interfere with their duties as a Board trustee and complies with District policy. However, the Board member needs to understand that such use of

school provided electronic devices for personal or informal purposes may be subject to production in a public records request.

Definitions

"Deliberation" is defined as the receipt or exchange of information or opinion relating to a decision, but shall not include informal or impromptu discussions of a general nature which do not specifically relate to a matter then pending before the public agency for decision.

Board/Staff Communications

1410

Every reasonable means of communication is encouraged throughout the education community. Nevertheless, an organization must maintain some order and structure to promote efficient and effective communications.

Staff Communications to the Board

All official communications or reports to the Board from principals, supervisors, teachers, or other staff members shall be submitted through the Superintendent. This shall not deny any staff member's right to appeal to the Board from administrative decisions, provided that the Superintendent shall have been notified of the forthcoming appeal and that it is processed according to the applicable procedures for complaints and grievances.

Board Communications to Staff

All official communications, policies and directives of staff interest and concern shall be communicated to staff members through the Superintendent. The Superintendent shall employ all such media as are appropriate to keep staff fully informed of the Board's concerns and actions.

Media Information

It is the policy of the Board to fully cooperate with all news media. Every attempt will be made to release news at a time that will give prompt and wide coverage.

Visits to Schools

Trustees should make a point to visit each school of the District not less than once each school year to examine its condition and needs. Individual Board members interested in visiting schools should, out of courtesy, make arrangements for visitations through the principals of the various schools. Such visits shall be regarded as informal expressions of interest in school affairs and not as "inspections" or visits for supervisory or administrative purposes.

Social Interaction

Staff and Board members share a keen interest in the schools and education. When they meet at social affairs and other functions, informal discussion on such matters as educational trends, issues, and innovations and general District problems can be anticipated. However, no in-depth discussions or decisions should occur.

Board-Superintendent Relationship

1420

The Board-Superintendent relationship is based on mutual respect for their complementary roles. The relationship requires clear communication of expectations regarding the duties and responsibilities of both the Board and Superintendent.

The Board hires, evaluates, and seeks the recommendations of the Superintendent as the District chief executive officer. The Board adopts policies necessary to provide the general direction for the District and to encourage achievement of District goals. The Superintendent develops plans, programs, and procedures needed to implement the policies and directs the District's day-to-day operations.

The Superintendent shall be employed for a term not to exceed three (3) years and shall be the executive officer of the Board with such powers and duties as the board prescribes. The Superintendent shall act as the authorized representative of the District whenever such is required.

Trustee Expenses

Members of the Board, not otherwise compensated from public monies, will be compensated for actual expenses incurred for travel to, from, and attending meetings of the Board. Such compensation will be paid from District funds.

Expenses of any Board member incurred while traveling on the business of the Board, or attending a meeting called by the State Board of Education or the State Superintendent of Public Instruction, or attending any annual or special meeting of the State School Trustees Association, will be paid from the general fund of the District:

1. Transportation as approved by the Board.
2. On-site transportation during the course of the meeting, i.e., bus, taxi, or rental car.
3. Hotel or motel costs for Trustee, as necessary.
4. Food costs as necessary.
5. Telephone services shall be provided for necessary communications with business or family, resulting from the Trustee being away from work and/or home.
6. Incidental expenditures for tips and other necessary costs attributable to the Trustee's attendance at the meeting. The Districts will not reimburse or pay for such items as liquor, expenses of a spouse, separate entertainment, or other unnecessary expenditures.

Whenever any member of the Board resides at such distance from the meeting place of the Board as to require, in the judgment of the Board, such member to incur extraordinary expense in travel from his or her home to and from said meeting place, the Board may approve payment to such member of the extraordinary expense incurred in attending any meeting of the Board.

Board Meetings

1500

Meeting Defined

A meeting is defined as the convening of the Board of Trustees to make a decision or to deliberate toward a decision on any matter. Trustees may participate in Board meetings via electronic means, including telephonic or video conferencing devices, provided at least one member of the Board of Trustees or Superintendent is physically present at the meeting location.

Regular Meetings

Unless otherwise specified, all meetings will be held in the Troy High School Media Center. Regular meetings shall be held at 6:30 PM on the 2nd Monday of each month.

Emergency Meetings

In the event of an emergency involving possible personal injury or property damage, immediate financial loss, or the likelihood of injury, damage, or loss, the Board may meet immediately and take official action without prior notification when the notice requirements would make such notice impracticable or increase the likelihood or severity of such injury, damage, or loss, and the reason for the emergency is stated at the outset of the meeting.

Budget Meetings

No later than 28 days prior to its regular July meeting, the Board shall have prepared a budget, in the form prescribed by the State Superintendent of Public Instruction, and shall hold a public hearing. At such public hearing or at a special meeting held no later than 14 days after the public hearing, the Board shall adopt a budget for the ensuing year. Notice of the budget hearing shall be posted and published as prescribed in Idaho Code. From the time noticed, a copy of the budget shall be available for public inspection during regular business hours.

Special Meetings

Special meetings may be called by the Chair or by any two Trustees. If the time and place of special meetings has not been determined at a meeting of the Board with all members present, then written notice of a special meeting, stating the purpose of the meeting, shall be delivered to each Trustee not less than 24 hours prior to the time of the meeting. Such written notice shall be posted conspicuously at the District Office and at least two or more public buildings within the District. Business transacted at a special meeting will be limited to that stated in the notice of the meeting.

Board Meetings (continued)

1500

Executive Sessions

Pursuant to Idaho Code, upon a 2/3 roll call vote recorded in the minutes of the meeting, the Board may hold an executive session after the Board Chair has expressly identified the specific legal authorization for holding an executive session and provided sufficient detail to identify the general purpose and topic of the executive session. However, the information provided shall not compromise the purpose of going into an executive session. Only in the event that Board vacancies, and not absences, prevent a 2/3 majority from being present, a simple majority vote to enter executive session may be called.

An executive session may be held for, and only for, the following purposes:

1. To consider hiring a public officer, employee, staff member, or individual agent wherein the respective qualities of individuals are to be evaluated in order to fill a particular vacancy or need. Please note this does not apply to filling a vacancy in an elective office or deliberations about staffing needs in general.
2. To consider the evaluation, dismissal, or disciplining of; or to hear complaint or charges brought against a public officer, employee, staff member or individual agent, or a student.
3. To acquire an interest in real property that is not owned by a public agency.
4. To consider records exempt from public disclosure.
5. To consider preliminary negotiations involving matters of trade or commerce in which the Board is in competition with other governing bodies in other states or nations.
6. To communicate with legal counsel and to discuss any legal ramifications and/or legal options for pending litigation or possible legal controversies not yet being litigated, but imminently likely to be litigated. The presence of legal counsel at executive session is not sufficient to satisfy this requirement.
7. To communicate with a representative of the District's risk management or insurance provider to discuss a pending claim or prevention of a possible claim imminently likely to be filed. The presence of a risk management or insurance provider at executive session is not sufficient to satisfy this requirement.
8. To conduct deliberations regarding labor negotiations. *Note: The Board may still deliberate regarding labor negotiations and may caucus regarding negotiations in Executive Session. However, all actual negotiations between the parties; such as the exchange of offers, counteroffers, and exchange of documents; must be conducted in open session.*

No action may be held for the purpose of taking any final action or making any final decisions except for making a determination to place a certified professional employee on probation or taking action on a student disciplinary hearing.

Public Participation in Board Meeting

1520

All meetings of the Board are open to the public and all persons are permitted to attend any regular, special, or emergency meeting of the Board. The right to attend a meeting of the Board does not grant any individual the right to provide public input to the Board during its meeting.

The Board may exclude the public from any meetings it may hold in executive session.

Public Participation

The Board Chair has the authority and responsibility to oversee the orderly process of a Board meeting.

The Board of Trustees encourages all citizens of the District to express their ideas and concerns. The comments of the community will be given careful consideration. In the evaluation of such comments, first priority will be District students and their educational program.

Any complaint about the District, including instruction, discipline, District personnel policy, procedure or curriculum, should be referred through proper administrative channels before it is presented to the Board for consideration and action. All complaints should be resolved through proper channels in the following order:

1. Teacher or Staff
2. Principal or Supervisor
3. Director or Administrator
4. Superintendent
5. Board of Trustees

Please see District Policy 4120 regarding public complaints.

NOTICE:

Due to their sensitive nature, comments or complaints about personnel or individual students will be heard only in executive session. Idaho Code 67-2345.

A person who disrupts the educational process or whose presence is detrimental to the morals, health, safety, academic learning or discipline of the pupils or who loiters in schoolhouses or on school grounds, is guilty of a misdemeanor. Idaho Code 33-512 (11).

1. Members of the public will not be recognized by the Chair as the Board conducts its official business except when the Board schedules an interim public discussion period on a particular item. The Board will listen to the public but, at the same time, expects the public to listen and speak only when properly recognized.
2. At each Regular and Special meeting of the Board the agenda may provide time for public comment before the Board. Persons wishing to address the Board will be required to register on the **“REQUEST TO APPEAR BEFORE THE BOARD”** form. Forms are available at the District Office and may be submitted at any time, but no later

Public Participation in Board Meeting (continued)

than the beginning of the meeting on a form provided at the entrance to the Board Meeting location, if the agenda includes such participation.

3. Total time allotted for public comment will not exceed one (1) hour. Public participation will be limited to the time allotted on the agenda. Each speaker will be limited to five (5) minutes. All speakers will be allowed to speak at least once before a speaker is allowed to address the Board a second time. Public comment will be taken from the public on matters scheduled on the agenda. Should a large number of the public wish to speak on the same issue or topic, members of the public are encouraged to select a representative(s) to summarize their position. Additionally, the Board Secretary will accept written comments for distribution to the Board.
4. Written materials for Board Members must be submitted to the Board Secretary. The written material must include the name, address and telephone number of the person submitting it. A copy of the materials that meet these requirements will be forwarded to Board members if received by noon Thursday preceding the Board meeting. Materials should not be sent directly to Board members. Materials may be presented or mailed to the Board Secretary at the District Office.
5. If a topic is being considered by a committee established for that purpose, the Chair may refer the public comment to that committee.
6. Because of the diversity of issues, members of the Board will not respond to public comment except to ask related questions for clarification purposes to the speaker only (this is not meant to open up a public dialogue with the board). Instead, issues may be recorded and referred to the proper staff person for follow-up. The Chair may interrupt or terminate an individual's statement when it is too lengthy, personally directed, abusive, obscene, repetitive, or irrelevant. The Board of Trustees as a whole shall have the final decision in determining the appropriateness of all such rulings.
7. Nothing in this policy shall prohibit the removal of any person who willfully disrupts a meeting to the extent that orderly conduct is seriously compromised. Defamatory or abusive remarks are always out of order. The presiding officer may terminate the speaker's privilege of address if, after being called to order, the speaker persists in improper conduct or remarks.
8. If a special meeting has been held to obtain public comment on a specific issue, the Chair of the Board may not recognize speakers wishing to comment on the same topic at a regular meeting of the Board.

Records Available to Public

1530

Subject to the limitations provided herein, and as provided by law, full access to information concerning the administration and operations of the District shall be afforded to the public. Public access to District records shall be afforded according to appropriate administrative procedures.

Every person has the right to examine and take a copy of any public record at all reasonable times. All District records except those restricted by state and federal law shall be made available to citizens upon written request for inspection at the Clerk's office.

The Superintendent shall serve, or appoint someone to serve, as "public records coordinator" with the responsibility and authority for ensuring compliance with the display, indexing, availability, inspection, and copying requirements of federal law, state law, and this policy. The public records coordinator shall authorize the inspection and copying of the District's records only in accordance with the criteria set forth in this policy and in compliance with state and federal laws.

A written copy of the Board's minutes shall be available to the general public within a reasonable time after the meeting in which they are approved.

A "Public record" includes any writing containing information relating to the conduct or administration of the public's business prepared, owned, used or retained by any state agency, independent public body corporate and politic or local agency regardless of physical form or characteristics.

A "Writing" includes, but is not limited to, handwriting, typewriting, printing, photocopying, photographing, and every means of recording, including letters, words, pictures, sounds or symbols, or combination thereof, and all papers, maps, magnetic or paper tapes, photographic films and prints, magnetic or punched cards, discs, drums or other documents.

In accordance with Title 9, Chapter 3, Idaho Code, the following records shall not be subject to public inspection and/or copying:

Records Available to Public (continued)

1530

However, all personnel records of a current or former public official reflecting public service or employment history, classification, pay grade and step, longevity, gross salary and salary history, status, workplace, and employing agency are subject to public inspection and/or copying.

If the record requested for inspection and/or copying contains both information exempted from disclosure and non-exempt information, the District shall, to the extent practicable, produce the record with the exempt portion deleted and shall provide a written explanation for the deletion.

The District may require that a public records request be submitted in writing with the requester's name, mailing address, email address, and telephone number. The District may provide the requester information to help the requester narrow the scope of the request or to help the requester make the request more specific when the records requested are voluminous or costly.

The District shall either grant or deny a person's request to examine or copy public records within three (3) working days of the date of the receipt of a request for public records. If a longer period of time is needed to locate or retrieve the records, the District shall notify the person requesting the records of the same and provide the records to such person not later than ten (10) working days following the request.

In the event an individual requests a record be provided in electronic format, the District shall provide the record in electronic format if the record is available in that format. If a record is requested in electronic format and the record cannot easily be converted to electronic format within ten (10) working days, the District shall notify the person requesting the records of this fact and provide them with an estimate of the time necessary to complete the conversion. The documents shall then be provided at a time mutually agreeable to the parties and provide time mutually agreed upon giving consideration to any limitations that may exist regarding electronic conversion.

If the District fails to respond, the request shall be deemed to be denied within ten (10) working days following the request. If the District denies the person's request for examination or copying the public records or denies in part and grants in part the person's request for examination and copying of the public records, the public records coordinator shall notify the person in writing of the denial or partial denial of the request for the public record. The notice of denial or partial denial shall state that the attorney for the District has reviewed the request or shall state that the District has had an opportunity to consult with an attorney regarding the request for examination or copying of a record and has chosen not to do so. The notice of denial or partial denial also shall indicate the statutory authority for the denial and indicate clearly the person's right to appeal the denial or partial denial and the time periods for doing so.

The public records coordinator is authorized to seek an injunction to prevent the disclosure of records otherwise suitable for disclosure when it is determined that there is reasonable cause to believe that the disclosure would not be in the public interest and would substantially or irreparably damage any person or would substantially or irreparably damage vital governmental functions.

Records Available to Public (continued)

Unless a person requesting the public record can demonstrate an inability to pay or if the requester's interest is in litigation in which the requester is, or may become, a party, or the public's interest or understanding of the operation or activities of the District or its records would suffer by the assessment or collection of any fee, the District will adhere to its copying fee schedule.

The public records coordinator shall determine if there is an inability to pay by the requester or whether the request is likely to contribute significantly to the public's understanding of the operations or activities of government. The public records coordinator shall notify the requester in writing of their decision within ten (10) working days following the request. If the fee waiver is denied, the requester shall then have seven (7) days to file an appeal of the denial with the Superintendent. The Superintendent shall review the denial and either affirm or reverse the denial of the public records coordinator in writing within ten (10) working days of receipt of the appeal. In the event that the Superintendent is the public records coordinator then the appeal shall be filed within seven (7) days to the Board. At the Board's next regularly scheduled meeting, the Board shall review the denial of fee waiver and either affirm or reverse it. There shall be no further appeal beyond the Board. The request shall not be fulfilled or prepared until such time as the denial has been reversed. If the denial is reversed then the time for response shall run from the date of the written reversal of the denial. If the denial is affirmed and there are no further appeals available then the requester shall be required to pay in advance the estimated costs for the request.

A requester may not file multiple requests for public records solely to avoid payment of fees. If the District suspects that this is the case then it can aggregate the related requests and charge based upon its copying fee schedule.

The copying fee schedule of the District is as follows:

1. The District shall not charge a fee for the first 100 pages of records or the first two (2) hours of labor in responding to a request;
2. Copies of public records - 5¢ per page (cannot exceed actual cost) for copies beyond the first 100 pages or beyond the first (2) hours of labor in responding to a request;
3. The District will charge for the labor costs associated with locating and copying documents if:
 - a. The request is for more than 100 pages of records;
 - b. The request includes non-public information that must be redacted from the public records; and/or
 - c. The labor associated with locating and copying the records exceeds two (2) hours.
4. The fees for labor associated with responding to a public records request shall be charged at the per hour pay rate of the lowest paid administrative staff employee of the District who is necessary and qualified to process the request.
5. The fees associated with redactions required to be made by an attorney employed by the District shall be charged at the lowest paid hourly rate of the lowest paid attorney employed by the District or if there are no attorneys employed by the District than the rate shall be no more than the usual and customary rate of the attorney retained by the District.

Records Available to Public (continued)

6. Copy of a duplicate computer disc or similar record system the fee shall not exceed:
 - a. The District's cost of copying the information in that form;
 - b. The District's cost of conversion, or the cost of conversion charged by a third party, if the electronic record must be converted to electronic form.

Fees shall be collected in advance.

The District shall provide requesters with an itemized statement of fees to show the per page costs for copies and the hourly rate of employees and attorneys involved in responding to the request.

A request for public records may be conducted by electronic mail.

3. Make all decisions based on the available facts and my independent judgment, and refuse to surrender that judgment to individuals or special interest groups;
4. Understand that the Board makes decisions as a team. Individual Board Members may not commit the Board to any action unless so authorized by official Board action;
5. Recognize that decisions are made by a majority vote and the outcome should be supported by all Board Members;

7. Be open, fair, and honest; have no hidden agendas; and respect the right of other Board Members to have opinions and ideas which differ from mine;
8. Recognize that the Superintendent is the Board's advisor and should be present at all meetings, except where the Superintendent is the subject matter, or where the Superintendent's presence is a conflict of interest. Further, the Superintendent shall not be present during any Board deliberation regarding a student expulsion hearing and/or when the Board deliberates regarding a teacher non-renewal or termination advanced by the administration;

Board Development Opportunities

1640

The Troy School District Board of Trustees realizes that proper Board training is important. Decisions about school policy, personnel, finance, curriculum and communications can be overwhelming and may require training. Training Board members to be effective leaders and decision makers is an educational investment that benefits the entire community. The Board believes that with proper training, it can create a positive and productive atmosphere for decision-making. There needs to be strong leadership among Board members demonstrated by teamwork, effective communication, problem-solving skills and positive relationships between the Board and the Superintendent.

The Board places a high priority on the importance of a planned and continuing program of inservice education for its members. The central purpose of the program is to enhance the quality and effectiveness of public school governance in our community. The Board shall plan specific in-service activities designed to assist Board members in their efforts to improve their skills as members of the policy-making body; to expand their knowledge about trends, issues, and new ideas affecting the continued welfare of our local schools; and to deepen their insights into the nature of leadership in a modern democratic society.

Funds may be budgeted annually to support the program. Individual Board members shall be reimbursed for out-of-pocket expenses, as prescribed in policy 1420, incurred through participation in approved activities. The Board, as a whole, shall retain the authority to approve or disapprove the participation of members in planned activities. The public shall be kept informed through the news media about the Board's continuing in-service education and about the programs anticipated for short-and long-range benefits to our schools.

The Board regards the following as examples of activities and services appropriate for implementing this policy:

1. Participation in School Board conferences, workshops and conventions held by the state and national School Boards associations.
2. District-sponsored training sessions for Board members.
3. Subscriptions to publications addressed to the concerns of Board members.

In order to control both the investment of time and funds necessary to implement this policy, the Board establishes these principles and procedures for its guidelines:

1. A calendar of School Board conferences, conventions and workshops shall be maintained by the Superintendent. The Board will periodically decide which meetings appear to be most promising in terms of producing direct and indirect benefits to the District.
2. Funds for participation at such meetings will be budgeted on an annual basis. When funds are limited, the Board will designate which of its members would be the most appropriate to participate at a given meeting.
3. Those who do participate will be requested to share information, recommendations and materials acquired at the meeting.

School Board members are encouraged to attend workshops presented by the state and national School Boards associations.
