

Charli Stehling Description

Recognized Teacher

How long have you been in education?

“25 years”

What is your current teaching position?

5th Grade Science Teacher, IES

Why are you an Educator?

I chose to be an educator to make a difference in the lives of students. I try to reach each and every student and let them know I truly care. It is very rewarding when I know the students are trying their best because they know the material and because of the positive environment that has been created in the classroom.

Why is Ingram ISD a great place to work?

I absolutely love working for Ingram ISD. My team is amazing and I enjoy coming to work everyday. The administration is great and so supportive!

A Quote About her:

“Mrs. Stehling brings science to life for her students! She knows the curriculum like the back of her hand. She brings an energy that's unmatched and creates a welcoming learning environment for her students every single day!”
