## What are we learning?

### Math

\*\*The Highly Proficient student can measure the length, mass and capacity of an object using appropriate metric tools.

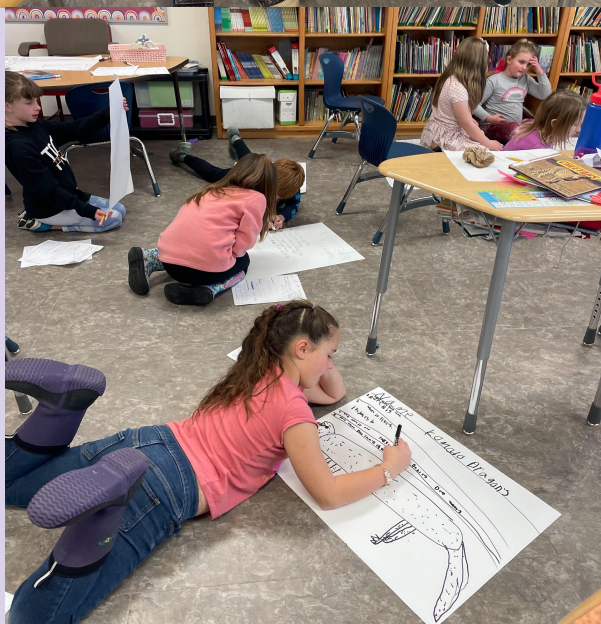

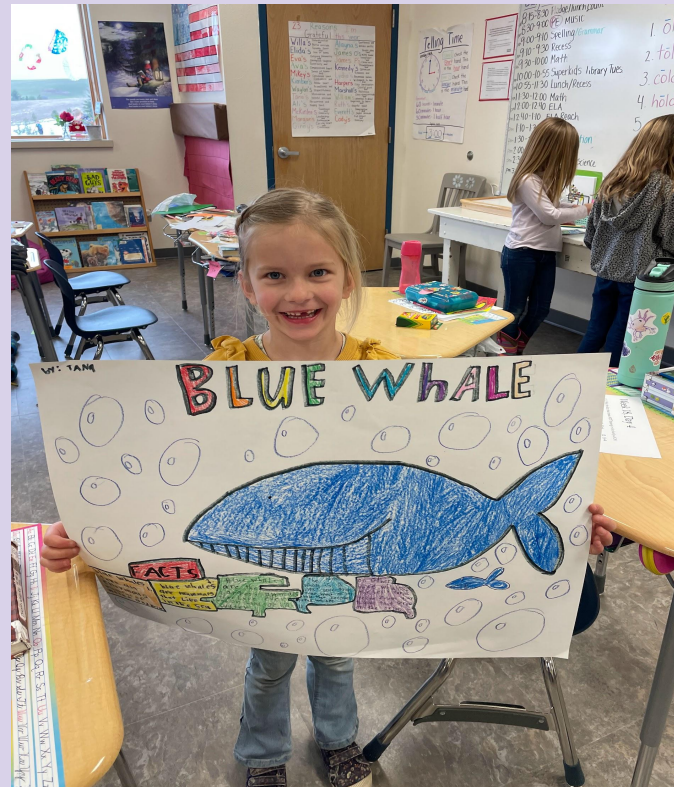

\*\*The Highly Proficient student can solve addition and subtraction word problems for an unknown number involving same units of measurement.

### ELA

\*\*The Highly Proficient student can retell stories from diverse cultures, determine their central message and write a fable that includes a cultural concept.

\*\*The Highly Proficient student can compare and contrast two or more versions of the same story by different authors or from different cultures.

# We are Better Together!

Students worked in groups to research an animal and do a presentation together. I was proud of their bravery to try something new and to practice the important lesson of working together for a common goal. Well done everyone!

**Souper Bowl Time!**  
**Annual food drive at TES**  
**January 31-February 9th**  
**\*\*Please send non-perishable items**  
**or toiletries with your child to add to**  
**our Trojan food pantry and Troy**  
**Food Bank**

**We live in an incredible place!**

**“Our youth should also be educated in music and physical education.” — Aristotle**

## **A Little Glimpse into PE class!**

**Coach Wells believes in nurturing teamwork and play. He teaches much more than just rules of sports and playing games. Students are learning how to work with others and how to win and lose with grace. Important life lessons! Ask your student what they have been up to in PE lately.**
