

# Student of the Month

Each month throughout the school year, one student from each homeroom and each specials teacher, is selected as the Student of the Month. Students are selected to become Student of the Month through recommendation of their teacher. The Student of the Month is selected based upon the following criteria: demonstrating positive character traits across all school settings, contributions made to the class and/or school, consistent attendance and continuing progress in their subjects. Students are recognized by receiving a certificate during a Student of the Month ceremony.
