Fannin Family,

As Veterans Day approaches, we wanted to extend a special invitation to all of you to join us in honoring the incredible men and women who have served our country. Our schools have worked hard to create programs that show our gratitude and respect for our veterans.

We believe it's so important for our students and our entire community to understand the sacrifices made by our armed forces. It's an opportunity to teach our children about patriotism, courage, and the true meaning of service.

Each of our schools will be hosting a program, and we'd love for you to be there. We especially encourage the Veterans of our community to attend, so that our students can honor you for your service. This is a wonderful opportunity to come together as "We Are Fannin" and express our collective pride and appreciation. Let's make sure our veterans feel the warmth and respect they so richly deserve from our amazing community.
