Our Learning

Skills Block: We have learned every letter of the alphabet! We will spend the next couple of weeks working on our Kinder Alphabet Parade in reviewing each letter to prepare for a parade of letters/sounds!

Reading: We will be continuing our work on narrative writing and exploring weather around the world.

Math: We will be exploring measurement through many holiday themed math games.

Teacher's Note

-Holidays Around the World: We will be spending some time learning about Holidays in different parts of the world and doing a research project to present at our assembly on the 19th this month.
