SUBJECT: Bond Progress Report and Bond Financial Report

This summer's bond projects are virtually done. Final punch list items and close out documentation should be completed during October, as well as the replacement of all 88 lighting fixtures in the new CMHS bathrooms with a brighter light and longer occupancy sensor delay.

The only remaining bond project is the 2nd floor hallway tile that was replaced last summer. It was installed incorrectly, and will be replaced next summer at no cost to the district.

This is my final report, as my contract ends October 31st. I would like to thank the board for the opportunity to serve the students of Clatskanie over the past four plus years.

TO: School Board Members

FROM: Kara Burghardt

SUBJECT: CES Principal's Report to the CSD School Board

This report covers the period from September 12, 2023 to October 6, 2023. I will outline key achievements, challenges, and initiatives within this timeframe.

1. Academic Excellence:

- RTI Reading Intervention Groups are up and running. Students are receiving dedicated intervention time each day to build on their skills. Whether they need intensive instruction, specific brushing up of skills, or enrichment, ALL students benefit from the dedicated instructional opportunity.
- Staff are working to update and adopt reading agreements that are followed schoolwide with fidelity. Grade levels and whole staff meetings are being held to determine the mode of effective reading instruction and planning for successful implementation of RTI and HMH Curriculum.

2. Staff Development:

- CES is working on Reading Agreements for RTI that correspond with our adopted HMH reading curriculum. The RTI committee has led the charge in this endeavor. We are also working to develop a math committee to look at adoption options for 24-25.
- A brief meeting was held to discuss Erin's Law, Addy's Act, and Indigenous People Education. We are waiting for further information on the appropriate way to address these topics appropriately and with the attention that they deserve.

3. Student Engagement and Well-being:

- All CES Cougars will bring coins to school in support of the University of Oregon Ducks or the Oregon State Beavers during the week of October 9-12. There will be containers in the library for the coins. On Thursday, October 12, 2023, the containers will be taken to the bank and the money will be counted. The team with the most money will be the winners of the contest. *Thursday, October 12, will also be a dress up day to further the incentive. Wear your Beaver or Duck wear or the school colors of the different colleges. There will be a classroom contest for the highest percentage of dressed up students.*

-CES students and staff will participate in the great American Shake Out on October 19. There will be instruction on the safe way to manage an earthquake in the school setting followed by a school evacuation/fire drill. The mantra that will be practiced is “drop, cover, and hold on”.

-The PSEA Fall Carnival will take place Friday, October 20. This is a fun filled event for all ages and the Cardiff Gym was packed last year. There are various carnival activities, food, and, of course, candy.

-The Halloween parade is on the docket for October 31. Once again, students and staff will meander down Nehalem Street to the Police Station and back up again. We appreciate the support of the community in this endeavor including the local law enforcement and fire department.

4. Upcoming Events

- | | |
|----------------------|--|
| ● October 2: | National Custodian Appreciation Day |
| ● October 13: | No School |
| ● October 18: | School Picture Re-Takes |
| ● October 19: | Great American Shake Out @10:19 |
| ● October 20: | PSEA Fall Carnival (Tentative) |
| ● October 27: | PBIS Assembly @ 1:30 |
| ● Oct. 30-Nov. 3 | Dental Sealants |
| ● October 31: | Annual Halloween Parade @ 1:30 |

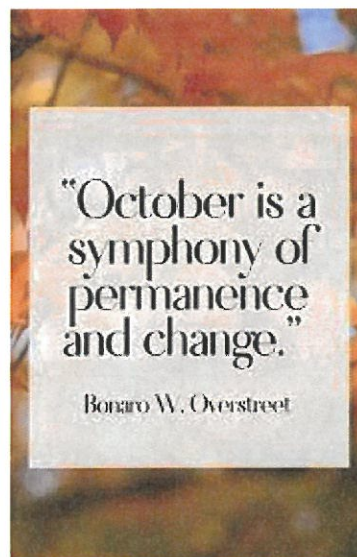

5. Conclusion:

CES is looking forward to a great October as the routines of daily school are in place and functioning with minimal glitches. We appreciate the school board's commitment to providing support for the CES students and staff.

Please feel free to reach out if you require additional information or clarification on any aspect of this report. I am more than happy to provide further details as needed.

Thank you for your time and consideration.

CSD SUBSTITUTES

Date:

Regular Board Meeting on October 3, 2023

PRESENTOR:

Danielle Hudson, Ed.D., Superintendent

POLICY ISSUE/ SITUATION:

During the 2022-23 school year, school districts who worked with NWRESA for the placement of subs were notified that the ESD would be contracting with EduStaff for the 2023-24 for the processing of substitutes. School districts had to make a decision to either move forward with moving forward with ESD and contracting with EduStaff for substitute placement or managing substitutes internally. It was determined that CSD would transition to Edustaff for subs placement.

As a result of the move to EduStaff, substitutes are no longer CSD or NWRESA employees instead they are EduStaff staff. The substitutes are supervised, paid, and trained by Edustaff. This change resulted in substitutes no longer having access to their earned sick leave or PERS. Subs are able to earn sick leave from EduStaff and have access to 401K benefits.

RECOMMENDATION:

Discussion about substitutes in CSD.

Snapshot: Division 22 Rules

What are the requirements for each of the rules?

Consult the following resources for information:

<u>ODE's Rules at a Glance Summary</u>	Provides a high level summary of each rule
<u>Secretary of State's Oregon Administrative Rules Database</u>	Consult the text of the OAR for all of the specific details
<u>ODE's Division 22 Standards Newsletter</u>	Biannual publication that highlights new/revised rules, clarifies existing rules; provides insights on how the standards intersect with current issues and trends in K-12 education, as well as resources and promising practices

What are the Division 22 Standards Assurances?

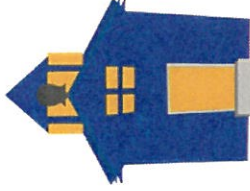

Combined Accountability Model

Districts report annually on compliance with each of the standards, and include an explanation and corrective action plan for any rule with which the district is out of compliance.

Local Accountability

Districts must:

- report to their local school board by Nov 1
- make a report available on the district website by Nov 1

State Accountability

- Districts must submit assurances to ODE by Nov 15
- ODE reviews all submissions and follows up with districts that have self-reported as being out of compliance

Division 22 Standards & Assurances of Compliance

“Our Why”

- Signals our commitment to providing a high quality educational experience and equitable opportunities for all students.
- Division 22 standards articulate the floor of the education to be provided to students, not the ceiling.
- Assurances process offers an opportunity for districts not in compliance to reflect on areas in need of attention and receive technical assistance.

What happens if the district is out of compliance?

- ODE reviews the district's proposed corrective action plan and either approves or rejects it
- If the plan is not approved as submitted, ODE contacts the district and provides technical assistance and support
- Once the district has an approved plan in place, ODE specialists may continue to provide support, as needed
- The corrective action must be complete by the beginning of the next school year
- If a district fails to come back into compliance after an opportunity for corrective action, ODE may withhold a portion of the district's State School Fund monies
