To protect the impartiality of the Board, we will not permit any expression of personal complaints or defamatory comments about North Canaan Elementary School personnel or students, nor against any person connected with the Region One public schools. Such issues should be brought to the school building administration or the office of the Superintendent of Schools. The Board will not respond to comments made during Public Comment, except to clarify issues, if necessary. When appropriate, the school administration will follow up at a later point in time, or in conjunction with the Board Chair, schedule a topic as an agenda item for a future Business Meeting of the North Canaan Board of Education.
