**Kudos:**

Kudos this week go to everyone who helped set up, organize, or participated in the Orenda visit. We won't get the official report until December/January but it seemed to go very well. Repeated comments were made by the evaluators on the dedication of our staff and the maturity of our students. Reviews like this (Orenda, WASC, CRR) are always extra work for our school staff, but it is verifying to continue to hear we are on the right track. I look forward to sharing their report when it comes in. In the meantime, thanks for helping us put our school's best foot forward.

## Message from Administration:

At the risk of sounding like Captain Obviously, I wanted everyone to realize that it is mid-October and we are in the middle of the longest work stretch of the school year. It is pretty easy/common for teachers and staff members to feel fatigued and a little burned out this time of year. Remember to pace yourself through this stretch and that much deserved holiday season breaks are not far off. Let's take care of each other and our students for the next five weeks and then get some much-deserved rest.
