Picture Day 4/30/24

BELL Imaging will be here on Tuesday, April 30th for individual Spring pictures. We also do a whole school picture. In the Spring, Bell Studios offers more background options. Student photos will be taken against a green screen, for best results PLEASE DON'T WEAR GREEN CLOTHING. There will be **NO** retakes. Picture order forms will be sent home as soon as we receive them. For any questions please contact Ms. Corrie at chenderson@evalinesd.k12.wa.us or 360-785-3460.

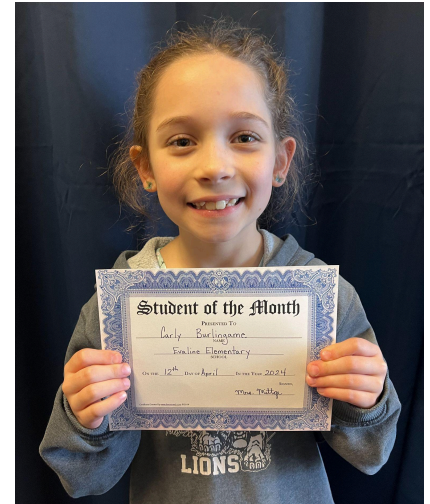

Earth day, April 22nd

Evaline will be commemorating Earth Day on Monday, April 22nd with several hands-on outdoor/indoor activities! Please have your child wear footwear and clothing appropriate for the weather. **Students must wear clothing they can get dirt or paint on.** We are looking forward to a day of work and fun.

Kindergarten - 2nd Grade March Student of the Month: Carly Burlingame

March's Student of the Month is an extraordinarily kind-hearted person. She is eager to play and help anyone, anytime. She brings a positive, full-spirited energy to our classroom. Her caring heart also comes with a sharp mind that uses creativity and outside-the-box thinking. It is delightful to watch this student solve problems. We just adore her and are pleased to say that March's Student of the Month is Carly Burlingame. **Way to go, Carly!!!**

3rd - 6th Grade March Student of the Month: Isabella Molina

This month I chose a student who honestly has deserved student of the month every month this year. They come to class every day with a positive attitude and enthusiasm for learning. Each task has been tackled this year with intent and when revisions are needed, they go back to work undiscouraged and try, try, try again until it is done correctly.

This person is also a great friend to those around them, always looking out to build them up and make them feel better about themselves. In group work I hear them contributing as much as they can and listening to what others have to say.

It has been a great joy to watch this student grow this year and I am very happy to present Isabella with student of the month. **Great job, Isabella!**

TK and Kindergarten

Mrs. Tinnin

Kindergarteners are working on reading comprehension. After they read a short story, they answered a couple of questions. Students are working on putting their answers in a sentence. TK is learning about the desert and the animals that live there. Next week, TK will listen to and learn about the classic tale Why Flies Buzz.

In math, kindergarteners are learning the attributes of two-dimensional shapes. Each student has a container of shapes that they use during each lesson. TK is learning how to write the numbers 0 through 5.

In our new science unit, students learned that a seed is a baby plant. Each child has their very own seed that they planted. Kindergarteners have a journal to keep track of the growth of their seed.

Our class is collecting art supplies for the auction. The kindergarten theme is 'art'. Please send in items with your child so they can put them in the basket.

First and Second Grade Explorers

Mrs. Mittge

On Monday, April 22nd we will be working on art projects and in the garden for Earth Day.. **PLEASE HAVE YOUR CHILD DRESS FOR THE WEATHER IN WORK CLOTHES THAT THEY CAN GET DIRTY/STAINED.** I would also recommend that students bring a change of clothes in a plastic bag.

1st/2nd grade is also in need of outdoor, summer activity themed items to add to our Booster Club basket this year. The basket will be sold at Evaline's annual dessert auction. Funds will be used by the Booster Club to fund special events at our school. Our theme is **"Fun in the Sun."** If you are able to contribute we would greatly appreciate it.

Thank you so much for all of your support!

Third and Fourth Grade Classroom

Mrs. Mars

This week both grades are finishing up their current chapters in math. Third graders have been learning about telling time to the minute and finding elapsed time in addition to measurement. The fourth graders have been learning my favorite unit measuring angles with a protractor.

As a class we have been reading the book Frindle. Make sure to ask your child all about this funny book!

It's that time of year to start collecting donations for our class contribution to the booster Auction. This year our class has decided to do an Ice Cream themed basket. We are looking for donations like: an Ice Cream maker, sprinkles, cute bowls, chocolate sauce, marshmallow fluff... any of the things you may need for a great family Icecream night!

Fifth and Sixth Grade Classroom

Mr. Burlingame

We are into the home stretch of the school year! As we prepare to finish out the year, we have a lot that needs to be planned so please keep a lookout in this section for things that might come up. This week we have two items for you to consider:

6th Grade parents! Every year we plan a trip to Napavine and Winlock middle school to orientate our 6th graders to their new environment. Please let the office or myself know if you plan on sending your student to one of these schools.

All Evaline parents! If you are tech savvy and would like to put together a slideshow with music to be shown at the end of the year, please let me know at (360) 785-3460 or by email at sburlingame@evalinesd.k12.wa.us

Have a great weekend!
