The second grade teachers would like to welcome you and your child to second grade at WMES. We hope that through our mutual cooperation, your expectations, and your child's fullest potential will be reached this year. Our goal for this year is for your child to develop and demonstrate the skills needed to achieve mastery of the 2nd grade South Carolina College and Career-Ready Standards.

Homework

Homework is a very important part of your child's success in school. It is important that you make sure homework is done completely, correctly, and neatly. Homework is an extension of what we are covering in the classroom. You play an important role in your child's homework; however, please have your child complete it on his/her own. You can then go over it for accuracy. This is a way for you to see what your child is capable of doing.

Classroom Rules

Have all of your supplies ready.
Be on time!
Stay in your seat.
Listen and follow directions.
Respect the teacher and classmates.

Birthday Parties

It is a school policy that NO birthday parties will be allowed due to the Smart Snack District Policy. You may not send any goodies (cupcakes, treat bags, etc.) on your child's birthday. It is our goal at WMES to utilize every possible moment in the classroom to educate your child. Also, if you are planning a party outside of school, only send invitations to school to be passed out if you have one for every child in the class. Again, this is the policy of WMES, and we hope that you understand the reasons why we are asking this from you. If you have any further questions, please feel free to contact administration or the front office.

Grading Policy

The following is how grades will be weighted in 2nd grade for each subject.

30% Class Participation- (Ex. math facts, review skills, practice work, homework, Monthly Reading Log, etc.)

40% Formative Assessments- (Ex. Spelling tests, daily work, and quizzes)

30% Summative Assessments- (Ex. Writing prompts, projects, unit tests, and all other major assignments)

Elementary Related Arts:

E- Excellent (100%- 80%)

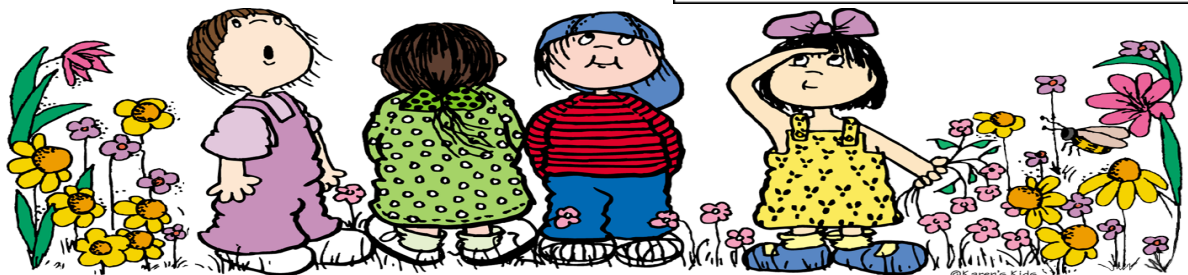

S- Satisfactory (79% - 60%)

U- Unsatisfactory (59% or below)

****Music, Art, PE, and Health grades do not affect Honor Roll or Principal's List. Any questions concerning Related Arts grades should be addressed with the Related Arts teacher.****

Transportation Changes

If your child is going home with a friend, grandparent, or any way that is not the usual way he/she goes home daily, the school **MUST** have a **written** note or an email giving your permission for this change to occur. Without a **written** note or email, your child will be sent home the normal way. Changes will **NOT** be taken over the phone. This policy is in place to help keep your child safe.
