Notes From the Superintendent

The first day for students will be Tuesday, August 13, 2024, and we will run a 2:05 P.M. early dismissal schedule that day. Back to school meetings for every grade level will be conducted August 12, 2024. A schedule of these meetings is included in this newsletter. The purpose of these meetings will be to explain rules, procedures, and expectations. In addition, students will meet their teachers, visit their classrooms, and drop off school supplies they have purchased. We will also distribute laptops to students in grades 6-12 during these meetings. Please make plans to attend our back-to-school night meetings.

Our District custodial staff members: Mr. Kyle Leech, Mr. Murphy Baldwin, Mr. Jeremy Diehl, Mr. Caden Van-Dyke, Mr. Blayne Kappes, Mr. Blake Schurman, and Mrs. Linda Hose are doing an excellent job in maintaining the school grounds and preparing both buildings for the new school year! Rooms have been painted, new flooring installed, repairs completed, floors waxed, and a thorough cleaning has been completed. Milledgeville School is in the best condition it has been in 60 years.

A student's success in school is influenced by their own effort and by the interest and cooperation of parents with the school. The primary reason students fail is because they do not complete their work. Help your child get off to a good start by monitoring their homework completion and checking their work on a regular basis. Regarding discipline concerns or academic/grade issues the school needs parental support when dealing with your student. If you hear your child talk disparagingly about school or education stop them immediately and demand that they respect the institution. Students listen to their parents and if they know you expect them to work hard, do their work, show respect, and have a positive attitude they are far more likely to do so when at school. Finally, I encourage parents to work cooperatively with the school when problems or conflicts arise. Working together we can be far more successful in resolving problems. If you have any questions, concerns, suggestions, or if you wish to arrange a conference, please phone your student's school:

Chadwick-Milledgeville K-12 at 225-7141

Chadwick-Milledgeville CUSD #399 District Office at 225-5839

We wish to remind parents that the school building is not open before 8:00 A.M., at which time school employees will enable students to enter through the various doors. Students or parents arriving after 8:15 A.M. need to enter through the following buzzer release door: Milledgeville School - North rear main entrance from the parking lot (large orange fascia). All exterior doors are locked from the outside on a permanent basis during the school day to enhance safety and security.

Our school news will be produced in-house by District Secretary Mrs. Jody Mertz and will no longer be inserted in the Prairie Advocate. If you would like a copy mailed to you please contact the district office at 1-815-225-5839. Otherwise, the monthly newsletter will be emailed to stakeholders and posted on the district's website: www.dist399.net.

Welcome back to school. Working together, this will be a great year!

Sincerely,
Tim J. Schurman, Superintendent

Counselor's Corner

Welcome to all of the incoming freshmen and new students. On Monday, August 12, 2024 at 7:00 pm, we will host a Freshman Orientation for all ninth graders entering high school or any new students to the district. At this time students will be able to locate their lockers and tour the building. Laptop distribution will also take place immediately following the orientation, therefore, **all freshmen and their parents are required** to attend this meeting in order to receive their laptops. If there are any issues with you not being able to attend, please contact the high school office.

I will be available via email in August to take any requests for changes in schedules. Please know that it is not always possible, but I will do my best. All 9-12 students also have the first 3 days of every semester to come see me to change their schedules.

I am looking forward to having a great year!

Waiver of Student Fees

The School Board has established fees and charges to fund certain school activities. School fees may include, but are not limited to: required textbooks and instructional materials; charges to participate in extracurricular activities; charges for supplies of particular classes; graduation fees; and driver's education fees.

The Board recognizes that some students will be unable to pay these fees; however, students shall not be denied educational services or academic credit due to the inability or unwillingness of parent(s) or guardian(s) to pay fees and charges.

Students whose parents are unable to afford student fees may receive a waiver of fees; however, these students are not exempt from charges for lost and damaged books, locks, materials, supplies, and equipment.

At the beginning of each school year, the school district's waiver of school fees policy will be published in the District newsletter. A fee waiver application form shall be available at each building office.

A student shall be eligible for a waiver of a fee when at least one of the following prerequisites is met:

1. The student is currently receiving aid under Article IV of the Illinois Public Aid Code (Aid to Families with Dependent Children).
2. The student is currently eligible for Free or Reduced Price Meals pursuant to Ill. Rev. Stat., Ch. 122, Para. 712.1 et seq.

Additional consideration for fee waiver will be given where emergency situations exist. The parent or guardian shall submit evidence of eligibility for waiver of the student's fees. The Superintendent will notify the parent(s) or guardian(s) as to whether the fee waiver request has been granted or denied. A denied request shall state the reason.
